The FNS-245, Negative Case Action Review Schedule:

Abstract: The FNS-245, Negative Case Action Review Schedule, is designed to collect quality control (QC) data and serve as the data entry form for negative case action QC reviews in the Supplemental Nutrition Assistance Program (SNAP). The FNS-248, Status of Sample Selection and Completion:

The FNS-248, Status of Sample Selection and Completion, tracked a state's progress in sample selection and case completion on a monthly basis. A Final rule entitled "Food Stamp Program: Discretionary Quality Control Provisions of Title IV of Public Law 107-171," was published in the **Federal Register** on June 11, 2010 (75 FR 33422) and eliminated the use of this form. Therefore, the annual reporting and recordkeeping burden associated with the form is no longer necessary and will be eliminated from this collection.

Certain Pasta From Turkey: Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT:

Stephanie Moore, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave. NW., Washington, DC 20230; telephone: (202) 482-3692.

Background

On August 26, 2011, the Department of Commerce ("Department") published a notice of initiation of the administrative review of the antidumping duty order on certain pasta from Turkey, covering the period July 1, 2010, through June 30, 2011. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 76 FR 53404 (August 26, 2011). The preliminary results of review are currently due April 1, 2012.

Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires that the Department make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested. Section 751(a)(3)(A) of the Act further states that, if it is not practicable to complete the review within the time period specified, the administering authority may extend the 245-day period to issue its preliminary results to up to 365 days.

We determine that completion of the preliminary results of this review within the 245-day period is not practicable as the Department needs additional time to analyze complex issues regarding affiliation and knowledge of U.S. destination. Given the complexity of these issues, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results of this review by
