FOR FURTHER INFORMATION CONTACT: Ms. Yvette M. Fields, Director, Office of Deepwater Ports and Offshore Activities, Maritime Administration, 1200 New Jersey Avenue SE., Washington, DC 20590. Title: Maritime Administration's Panama Canal Expansion Study Outreach Program.

OMB Control Number: 2133-NEW.

Type of Request: New Information Collection.

Affected Public: Federal Government; State, Local, or Tribal Governments; Shippers; Maritime Related Organizations and Associations; Local Municipal Planning Organizations; Rail and Land Transportation Companies.

Forms: Shipper Survey.

Abstract: This three-tiered information collection process will directly support the Maritime Administration's efforts to evaluate and assess the impacts of the Panama Canal Expansion on U.S. Ports and infrastructure when the expansion of the Panama Canal is completed in 2014. First, as part of its Panama Canal Outreach Program, the Maritime Administration will conduct one public Listening Session to provide a forum for stakeholders to present their views on the issues that the Maritime Administration should consider in the development of the Panama Canal Expansion Study, and to assess the various infrastructure requirements that will be associated with future trade involving the Panama Canal. Second, the Maritime Administration will conduct one-on-one interviews with key executives from various U.S. ports, port operators, and transportation service providers to identify their specific plans, investment strategies, and perspectives concerning market trends, which are a critical part of the subject Study. Finally, the Maritime Administration will conduct an on-line Panama Canal Shipper Survey in an effort to garner information regarding the current decision processes used by "Beneficial Cargo Owners" (i.e., international shippers) to determine potential changes to their logistics, networks and the contingency plans that have been developed (or will be developed) to address the potential impacts on their costs and routing strategies as a result of the expansion project.

Annual Estimated Burden Hours: 606.

Addresses: Send comments regarding these information collection activities to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 Seventeenth Street NW., Washington, DC 20503, Attention: MARAD Desk Officer.
