increment.⁸ The Exchanges submitted a consolidated response letter on January 3, 2012.⁹ On January 17, 2012, each Exchange filed Amendment No. 1 to its proposal.¹⁰ On February 7, 2012, the Commission instituted proceedings to determine whether to disapprove the proposed rule changes, as modified by Amendment No. 1.¹¹ The comment period for the Commission's Order Instituting Proceedings is set to expire on March 5, 2012, and the Exchanges' rebuttal period is scheduled to close on March 19, 2012.¹² On February 16, 2012, the Exchanges filed Partial Amendment No. 2 to the proposed rule changes.

The Commission is publishing this notice to solicit comments on the proposed rule changes, as modified by Amendment No. 2, from interested persons.

II. Description of the Partial Amendment No. 2

In Amendment No. 2, the Exchanges propose to make three changes to proposed Rule 107C, which establishes the Retail Liquidity Provider program: (1) Limit the definition of "Retail Order"; (2) modify the definition of the Retail Liquidity Identifier; and (3) clarify the treatment of odd lots, round lots, and part of a round lot orders.¹³

First, the Exchanges propose to amend proposed Rule 107C(a)(3) to remove from the definition of "Retail Order" proprietary orders of Retail

Member Organizations¹⁴ that result from liquidating a position acquired from the internalization of orders that otherwise meet the definition of "Retail Order." As amended, the definition of "Retail Order" thus would be limited to "an agency order that originates from a natural person and is submitted to the Exchange by an RMO, provided that no change is made to the terms of the order with respect to price or side of market and the order does not originate from a trading algorithm or any other computerized methodology."

Second, the Exchanges would add language to the definitions of "Retail Order" and "Retail Price Improvement Order" ("RPI") in proposed Rules 107C(a)(3) and 107C(a)(4), respectively, to clarify that both may include odd lot, round lot, and part of round lot orders. The Exchanges explain further in the Amendment that RPIs would be ranked and allocated according to price and time of entry into the Exchange systems consistent with Exchange Rule 55, 61, and 72, and therefore without regard to whether the size entered is an odd lot, round lot, or part of round lot amount. Similarly, the Exchanges explain that Retail Orders would interact with RPIs according to the priority and allocation rules of the Program and without regard to whether they are odd lots, round lots, or parts of round lots. According to the Amendment, Retail Orders may be designated as Type 1, Type 2, or Type 3 under proposed Rule 107C(k) without regard to the size of the order. However, the Exchanges note that, pursuant to the rules of the Consolidated Tape Association, executions less than a round lot will not print to the tape or be considered the last sale.

Third, the Exchanges would amend proposed Rule 107C(j) to add to the definition of Retail Liquidity Identifier that the identifier shall reflect the symbol for the particular security and the side (buy or sell) of the RPI interest, but shall not include the price or size of the RPI interest. The previously proposed definition of the Retail Liquidity Identifier did not contain these details. Rather, it said only that an identifier shall be disseminated through proprietary data feeds or as appropriate through the Consolidation Quote System when RPI interest priced at least \$0.001 better than the best protected bid

or best protected offer¹⁵ for a particular security is available in Exchange systems.

¹⁰ In Amendment No. 1, the Exchanges modified the proposals as follows: (1) To state that Retail Member Organizations may receive free executions for their retail orders and the fees and credits for liquidity providers and Retail Member Organizations would be determined based on experience with the Retail Liquidity Program in the first several months; (2) to correct a typographical error referring to the amount of minimum price improvement on a 500 share order; (3) to indicate the Retail Liquidity Identifier would be initially available on each Exchange's proprietary data feeds, and would be later available on the public market data stream; and (4) to limit the Retail Liquidity Program to securities that trade at prices equal to or greater than \$1 per share.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66466; File No. SR-NYSEArca-2011-97]

Self-Regulatory Organizations; NYSE Arca, Inc.; Order Granting Approval of Proposed Rule Change Relating to Listing and Trading of Shares of the Teucrium Agriculture Fund Under NYSE Arca Equities Rule 8.200

February 24, 2012.

I. Introduction

On December 20, 2011, NYSE Arca, Inc. ("Exchange" or "NYSE Arca") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to list and trade shares of the Teucrium Agriculture Fund under Commentary .02 to NYSE Arca Equities Rule 8.200. The proposed rule change was published for comment in the **Federal Register** on January 10, 2012.³ The Commission received no comments on the proposal. This order grants approval of the proposed rule change.

II. Description of the Proposed Rule Change

The Exchange proposes to list and trade shares ("Shares") of the Teucrium Agriculture Fund ("Fund") pursuant to NYSE Arca Equities Rule 8.200, Commentary .02, which permits the

trading of Trust Issued Receipts either by listing or pursuant to unlisted trading privileges.⁴ The Fund is a commodity pool that is a series of the Teucrium Commodity Trust ("Trust"), a Delaware statutory trust.⁵ The Fund is managed and controlled by Teucrium Trading, LLC ("Sponsor"), which is a Delaware limited liability company that is registered as a commodity pool operator with the Commodity Futures Trading Commission ("CFTC") and is a member of the National Futures Association. The Bank of New York Mellon ("Custodian" or "Administrator") is the custodian, transfer agent, and administrator for the Fund. Foreside Fund Services, LLC ("Distributor") is the distributor for the Fund's Shares.

Teucrium Agriculture Fund

The investment objective of the Fund is to have the daily changes in percentage terms of the Shares' net asset value ("NAV") reflect the daily changes in percentage terms of a weighted average ("Underlying Fund Average") of the NAVs per share of four other commodity pools that are series of the Trust and are sponsored by the Sponsor: Teucrium Corn Fund, Teucrium Wheat Fund, Teucrium Soybean Fund, and Teucrium Sugar Fund (collectively, "Underlying Funds").⁶ The Fund seeks to achieve its investment objective by

investing under normal market conditions⁷ in the publicly-traded shares of each Underlying Fund so that the Underlying Fund Average will have a weighting of 25% for each Underlying Fund, and the Fund's assets will be rebalanced, generally on a daily basis, to maintain the approximate 25% allocation to each Underlying Fund. The Fund does not intend to invest directly in futures contracts ("Futures Contracts") or other Commodity Interests (as defined below), although it reserves the right to do so in the future, including if an Underlying Fund ceases operations or if shares of an Underlying Fund cease trading on the Exchange.

While the Fund expects to maintain substantially all of its assets in shares of the Underlying Funds at all times, the Fund may hold some residual amount of assets in obligations of the United States government ("Treasury Securities") or cash equivalents, and/or hold such assets in cash (generally in interest-bearing accounts). The Fund will earn interest income from the Treasury Securities and/or cash equivalents that it purchases and on the cash it holds through the Custodian.

The investment objective of each Underlying Fund is to have the daily changes in percentage terms of its shares' NAV reflect the daily changes in percentage terms of a weighted average of the closing settlement prices for certain Futures Contracts for the commodity specified in the Underlying Fund's name.⁸ The Teucrium Corn Fund's Benchmark is: (1) The second-to-expire Futures Contract for corn traded on the Chicago Board of Trade ("CBOT"), weighted 35%, (2) the third-to-expire CBOT corn Futures Contract, weighted 30%, and (3) the CBOT corn Futures Contract expiring in the December following the expiration month of the third-to-expire contract, weighted 35%. The Teucrium Wheat Fund's Benchmark is: (1) The second-to-expire CBOT wheat Futures Contract, weighted 35%, (2) the third-to-expire CBOT wheat Futures Contract, weighted

⁴ Commentary .02 to NYSE Arca Equities Rule 8.200 applies to Trust Issued Receipts that invest in "Financial Instruments." The term "Financial Instruments," as defined in Commentary .02(b)(4) to NYSE Arca Equities Rule 8.200, means any combination of investments, including cash; securities; options on securities and indices; futures contracts; options on futures contracts; forward contracts; equity caps, collars and floors; and swap agreements.

⁵ See Amendment No. 1 to Form S-1 for the Trust, dated December 5, 2011 (File No. 333-173691) relating to the Fund ("Registration Statement").

⁶ Additional information regarding the Underlying Funds is included in the Commission orders approving the listing and trading of the Underlying Funds and in their corresponding registration statements. See Securities Exchange Act Release Nos. 62213 (June 3, 2010), 75 FR 32828 (June 9, 2010) (SR-NYSEArca-2010-22) (order approving listing on the Exchange of Teucrium Corn Fund); 65344 (September 15, 2011), 76 FR 58549 (September 21, 2011) (SR-NYSEArca-2011-48) (order approving listing on the Exchange of the Teucrium Wheat Fund, Teucrium Soybean Fund, and Teucrium Sugar Fund). See also Amendment No. 4 to the Registration Statement on Form S-1 for Teucrium Commodity Trust, dated May 26, 2010 (File No. 333-162033) relating to the Teucrium Corn Fund; Amendment No. 3 to Form S-1 for Teucrium Commodity Trust, dated June 3, 2011 (File No. 333-167591) relating to the Teucrium Wheat Fund; Amendment No. 3 to Form S-1 for Teucrium Commodity Trust, dated June 3, 2011 (File No. 333-167591) relating to the Teucrium Soybean Fund; and Amendment No. 3 to Form S-1 for Teucrium Commodity Trust, dated June 3, 2011 (File No. 333-167585) relating to the Teucrium Sugar Fund.

⁷ The term "under normal market conditions" includes, but is not limited to, the absence of extreme volatility or trading halts in the commodity markets or the financial markets generally; operational issues causing dissemination of inaccurate market information; or force majeure type events such as systems failure, natural or man-made disaster, act of God, armed conflict, act of terrorism, riot or labor disruption or any similar intervening circumstance.

⁸ This weighted average is referred to herein as the Underlying Fund's "Benchmark," the Futures Contracts that at any given time make up an Underlying Fund's Benchmark are referred to herein as the Underlying Fund's "Benchmark Component Futures Contracts," and the commodity specified in the Underlying Fund's name is referred to herein as its "Specified Commodity."
