

751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Cash-Deposit Requirements

If we continue to make a final determination of no shipments, cash deposit requirements will not change, and we will not issue cash deposit instructions to CBP. The following cash deposit requirements are currently in effect: (1) for previously reviewed or investigated companies, the cash-deposit rate will continue to be the company-specific rate published for the most recent period; (2) if the exporter is not a firm covered in a prior review or in the less-than-fair-value ("LTFV") investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the subject merchandise; (3) if neither the exporter nor the manufacturer is a firm covered in this or any previous segment of the proceeding, the cash-deposit rate will continue to be the all-others rate established in the LTFV investigation, which is 68.88 percent. *See Notice of Antidumping Duty Orders: Certain Large Diameter Carbon and Alloy Seamless Standard, Line and Pressure Pipe from Japan; and Certain Small Diameter Carbon and Alloy Seamless Standard, Line and Pressure Pipe From Japan and the Republic of South Africa*, 65 FR 39360 (June 26, 2000). These deposit requirements continue to remain in effect until further notice.

Assessment Rates

Upon completion of the administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries, in accordance with 19 CFR 351.212. The Department intends to issue appraisal instructions directly to CBP 15 days after the date of publication of the final results of this review.

As noted above, the Department clarified its "automatic assessment" regulation on May 6, 2003. *See Assessment Policy Notice*. This clarification will apply to POR entries by all respondent companies if we continue to make a final determination of no shipments because they certified that they made no POR shipments of subject merchandise for which they had knowledge of U.S. destination. We will instruct CBP to liquidate these entries at the all-others rate established in the less-than-fair-value investigation, 68.88 per cent, if there is no rate for the intermediary involved in the transaction. *See Assessment Policy Notice* for a full discussion of this clarification.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

These preliminary results of administrative review and notice are published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221.

Dated: February 24, 2012.

Ronald K. Lorentzen,

Acting Assistant Secretary for Import Administration.

Tapered Roller Bearings and Parts Thereof, Finished or Unfinished From the People's Republic of China: Extension of the Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: March 5, 2012.

FOR FURTHER INFORMATION CONTACT: Brandon Farlander and Erin Kearney, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, telephone: (202) 482-0182 and (202) 482-0167, respectively.

SUPPLEMENTARY INFORMATION: On July 28, 2011, the Department of Commerce ("the Department") published in the **Federal Register** a notice of initiation of an administrative review of the antidumping duty order on tapered roller bearings ("TRBs") and parts thereof, finished or unfinished from the People's Republic of China. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews, Requests for Revocations in Part and Deferral of Administrative Reviews*, 76 FR 45227 (July 28, 2011).

The period of review ("POR") is June 1, 2010, through May 31, 2011.

Extension of Time Limit for Preliminary Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the "Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 365 days.

The Department is extending the preliminary results by 120 days because the Department needs additional time to analyze information pertaining to Changshan Peer Bearing Co., Ltd.'s ("CPZ/SKF") and Peer Bearing Company's ("Peer/SKF") U.S. sales and factors of production data and issue additional supplemental questionnaires. In addition, prior to the preliminary results, the Department will be conducting a mandatory verification of CPZ/SKF and Peer/SKF. Therefore, in accordance with section 751(a)(3)(A) of the Act, because the Department finds that it is not practicable to complete the review within the original deadlines, the Department is extending the time period for completing the preliminary results of the instant administrative review by 120 days, from March 1, 2012, until June 29, 2012. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: February 23, 2012.

Christian Marsh,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
