

BNSF's claim, and by decision served on January 30, 2012, the Board postponed the effective date of UP's abandonment exemption and allowed the parties to file additional evidence and argument, which BNSF and UP did on February 9, 2012. In its verified notice of exemption in this docket, BNSF describes UP's February 9 filing in the abandonment docket as asserting that BNSF does not have direct access to the Lockport Branch because the Board never expressly authorized such operations. BNSF states that, while it disagrees with UP's argument, it is now seeking trackage rights authority over the Line in this docket out of an abundance of caution.

As a condition to this exemption, any employees affected by the trackage rights will be protected by the conditions imposed in *Norfolk & Western Railway Co.—Trackage Rights—Burlington Northern, Inc.*, 354 I.C.C. 605 (1978), as modified in *Mendocino Coast Railway, Inc.—Lease and Operate—California Western Railroad*, 360 I.C.C. 653 (1980).

This notice is filed under 49 CFR 1180.2(d)(7). If the notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Stay petitions must be filed by March 15, 2012 (at least seven

days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35601, must be filed with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on Karl Morell, Ball Janik LLP, 655 Fifteenth Street NW., Suite 225, Washington, DC 20005 (Counsel for BNSF).

Board decisions and notices are available on our Web site at www.stb.dot.gov.

Decided: March 5, 2012.

By the Board, Rachel D. Campbell,
Director, Office of Proceedings.

Jeffrey Herzig,
Clearance Clerk.
