ACTION: Notice of Limitation on Claims for Judicial Review of Actions by FHWA.

SUMMARY: This notice announces actions taken by the FHWA that are final within the meaning of 23 U.S.C. 139(l)(1). The actions relate to a proposed highway project, Interstate I-94, I-894, and U.S. Highway 45 (Zoo Interchange) in Milwaukee County, Wisconsin. Those actions grant approvals for the project. The project termini are 124th Street on the west, 70th Street on the

east, Burleigh Street on the north and Lincoln Avenue on the south. Primary design features of the project include: All exits on the right, through traffic stays left; full 8- to 12-foot shoulders on all ramps and freeways; four lanes on each approach leg; three lanes on US 45 northbound and southbound through the core of the interchange; two lanes on I-94 eastbound and westbound through the core of the interchange (with a wider median that could accommodate a third lane in the future); several ramps with two lanes instead of one; smoother curves on all freeway-to-freeway interchange ramps (minimum 45 mph design speed); 60 mph design speed on I-94 and US 45; access to and from US 45/I-894 provided to US 18 (Bluemound Road), but no direct access between I-94 and Bluemound Road.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(l)(1). A claim seeking judicial review of the Federal agency actions on the highway project will be barred unless the claim is filed within 180 days of this **Federal Register** notice. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

I. Overview

Section 3013(c) of SAFETEA–LU, Public Law 109–59 (August 10, 2005) amended 49 U.S.C. 5311(c) by establishing the Public Transportation on Indian Reservations Program (Tribal Transit Program or TTP). This program authorizes direct grants “under such terms and conditions as may be established by the Secretary” to Indian tribes for any purpose eligible under FTA's Nonurbanized Area Formula Program, 49 U.S.C. 5311 (Section 5311 program). Approximately \$15 million is expected to be available for the Tribal Transit Program discretionary allocation and may include other discretionary program funds that become available. The total amount of funding available will be contingent on Congressional authorization prior to the selection of awardees, and based on the timing of such funding becoming available, may also include funding appropriated for Fiscal Year 2013.

II. Program Purpose

TTP funds are to be allocated for grants to Federally-recognized Indian tribes for any purpose eligible under the Section 5311 program. The Conference Report that accompanied SAFETEA–LU indicated that the funds set aside for Indian tribes in the TTP are not meant to replace or reduce funds that Indian tribes receive from States through FTA's Section 5311 program. TTP funds are meant to complement any 5311 funds that applicants may be receiving. Tribal transit funds will be competitively allocated to support planning, capital, and operating assistance for tribal public transit services.

III. Program Information
