The Regulatory Flexibility Act and Executive Order 12866

Because these amendments merely reflect the agency’s revenue collection functions and rights, and impose no additional regulatory burden on the importing public, pursuant to the provisions of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, it is certified that the amendments will not have a significant economic impact on a substantial number of small entities. Further, these amendments do not meet the criteria for a “significant regulatory action” as specified in Executive Order 12866.

Paperwork Reduction Act

As there are no new collections of information in this document, the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3507) are inapplicable.
