RIN 1515-AD74

Interest on Untimely Paid Vessel Repair Duties

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security; Department of the Treasury.

ACTION: Final rule.

SUMMARY: This document adopts as a final rule, without change, the proposed amendments to the CBP regulations that provide that where an owner or master of a vessel documented under the laws of the United States fails to timely pay the duties determined to be due to CBP that are associated with the purchase of equipment for, or repair to, the vessel while it is outside the United States, interest will accrue on the amounts owed to CBP and that person will be liable for interest. The purpose of this document is to ensure that the CBP regulations reflect that CBP collects interest as part of its inherent revenue collection functions in situations where an owner or master of a vessel fails to pay the vessel repair duties determined to be due within 30 days of CBP issuing the bill.

DATES: *Effective Date:* April 25, 2012.

SUPPLEMENTARY INFORMATION:
Background

On April 1, 2011, U.S. Customs and Border Protection (CBP) published in the **Federal Register** (76 FR 18132) a proposal to amend title 19 of the Code of Federal Regulations (19 CFR) regarding the payment of interest on untimely paid vessel repairs. Specifically, CBP proposed amendments to the regulations to provide that where an owner or master of a vessel documented under the laws of the United States fails to timely pay the duties determined to be due to CBP that are associated with the purchase of equipment for, or repair to, the vessel while it is outside the United States, interest will accrue on the amounts owed to CBP and that person will be liable for interest.

CBP solicited comments on the proposed rulemaking.

Discussion of Comment

One commenter responded to the solicitation of public comment in the proposed rule. The comment was favorable and recommended adoption of the proposed amendments as a final rule.

Conclusion

In light of the fact that a single favorable comment was submitted in response to CBP's solicitation of public comment, CBP has determined to adopt as final the proposed rule published in

the Federal Register (76 FR 18132) on April 1, 2011 without change.

The Regulatory Flexibility Act and Executive Order 12866

Because these amendments merely reflect the agency’s revenue collection functions and rights, and impose no additional regulatory burden on the importing public, pursuant to the provisions of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, it is certified that the amendments will not have a significant economic impact on a substantial number of small entities. Further, these amendments do not meet the criteria for a “significant regulatory action” as specified in Executive Order 12866.

Paperwork Reduction Act

As there are no new collections of information in this document, the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3507) are inapplicable.

Signing Authority

This rulemaking is being issued in accordance with 19 CFR 0.1(a)(1), pertaining to the authority of the Secretary of the Treasury (or his/her delegate) to approve regulations related to certain CBP revenue functions.
