

Abstract: At the completion of a cost reimbursement contract, contractors will report final costs incurred, including direct labor, materials, supplies, equipment, other direct charges, subcontracting, consultant fees, indirect costs, and fixed fee. Contractors will report this information on EPA Form 1900-10. EPA will use this information to reconcile the contractor's costs. Establishment of the final costs and fixed fee is necessary to close out the contract. Responses to the information collection are mandatory for those contractors completing work under a cost reimbursement contract, and are required to receive final payment. Information submitted is protected from public release in accordance with the Agency's confidentiality regulation, 40 CFR 2.201 et seq.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 4 hours per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements which have subsequently changed; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: All contractors who have completed an EPA cost reimbursement type contract.

Estimated Number of Respondents: 20.

Frequency of Response: Once.

Estimated Total Annual Burden Hours: 80 hours.

Estimated Total Annual Cost: \$9,265.80, includes \$264.00 annualized capital or O&M costs.

Changes in the Estimates: There are no changes to the total estimated burden currently identified in the OMB Inventory of Approved ICR Burdens.

Proposed Project: Trends in U.S. Public Awareness of Racial and Ethnic Health Disparities (1999-2015)—Extension—OMB# 0990-0335—Office of Minority Health (OMH).

Abstract: The proposed survey seeks to collect data for one of OMH's annual performance measures, approved by the Office of Management and Budget (OMB) in February 2007, following OMB's examination of OMH using the Program Assessment Rating Tool (PART). This measure is to "increase awareness of racial/ethnic health status and health care disparities in the general population." Findings from this data collection will enable OMH to track progress on this measure over time as necessitated by current OMB-approved program assessment requirements.

The lack of general awareness and understanding about the nature and extent of racial and ethnic health disparities in the U.S. and the impact that such disparities are having on the overall health of the Nation have been cited as a major barrier to the provision of programmatic, budgetary, and policy attention to these issues. Therefore, one of the long-term, annual measures agreed upon was to "increase awareness
