SUPPLEMENTARY INFORMATION:

CBP invites the general public and other Federal agencies to comment on proposed and/or continuing information collections pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13). The comments should address: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimates of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden including the use of automated collection techniques or the use of other forms of information technology; and (e) the annual cost burden to respondents or record keepers from the collection of information (total capital/startup costs and operations and maintenance costs). The comments that are submitted will be summarized and included in the CBP request for Office of Management and Budget (OMB) approval. All comments will become a matter of public record. In this document CBP is soliciting comments concerning the following information collection:

Title: Certificate of Registration.

OMB Number: 1651-0010.

Form Number: CBP Forms 4455 and 4457.

Abstract: Travelers who do not have proof of prior possession in the United States of foreign made articles and who do not want to be assessed duty on these items can register them prior to departing on travel. In order to register these articles, the traveler completes CBP Form 4457, *Certificate of Registration for Personal Effects Taken Abroad*, and presents it at the port at the time of export. This form must be signed in the presence of a CBP official after verification of the description of the articles is completed. CBP Form 4457 is accessible at: http://forms.cbp.gov/pdf/CBP_Form_4457.pdf.

CBP Form 4455, *Certificate of Registration*, is used primarily for the registration, examination, and supervised lading of commercial shipments of articles exported for repair, alteration, or processing, which

will subsequently be returned to the United States either duty free or at a reduced duty rate. CBP Form 4455 is accessible at: http://forms.cbp.gov/pdf/CBP_Form_4455.pdf.

CBP Forms 4457 and 4455 are used to provide a convenient means of showing proof of prior possession of a foreign made item taken on a trip abroad and later returned to the United States. This registration is restricted to articles with serial numbers or unique markings. These forms are provided for by 19 CFR 148.1.

Action: CBP proposes to extend the expiration date of this information collection with a change to the burden hours as a result of a revised estimate to complete CBP Form 4455 from 3 minutes to 10 minutes. There are no changes to the information collected or to CBP Forms 4455 and 4457.

Type of Review: Extension (with change).

Affected Public: Businesses.
