FEDERAL COMMUNICATIONS COMMISSION

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice and request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burden and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s). Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid OMB control number.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before June 4, 2012. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Submit your PRA comments to Nicholas A. Fraser, Office of Management and Budget, via fax at 202-395-5167 or via Internet at *Nicholas_A.Fraser@omb.eop.gov* and to Judith B. Herman, Federal Communications Commission, via the Internet at *Judith-b.herman@fcc.gov*. To submit your PRA comments by email send them to: *PRA@fcc.gov*.

FOR FURTHER INFORMATION CONTACT: Judith B. Herman, Office of Managing Director, (202) 418-0214.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0817.

Title: Computer III Further Remand Proceedings: BOC Provision of Enhanced Services (ONA Requirements), CC Docket No. 95-20.

Form Number: N/A.

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit entities.

Number of Respondents: 3 respondents; 6 responses.

Estimated Time per Response: 2-50 hours.

Frequency of Response: On occasion and semi-annual reporting requirements.

Obligation to Respond: Mandatory. Statutory authority for this information collection is in 47 U.S.C. sections 151, 152, 154, 161, 201-205, 208, 251, 260 and 271-276.

Total Annual Burden: 162 hours.

Total Annual Cost: N/A.

Privacy Impact Assessment: N/A.

Nature and Extent of Confidentiality: The Commission is not requesting that the respondents submit confidential information to the FCC. However, applicants may request confidentiality and request confidential treatment of their information they believe is confidential under 47 CFR 0.459 of the Commission's rules.

Needs and Uses: The Commission is seeking OMB approval for an extension of this expiring information collection in order to obtain the full three year approval from them. There are no changes in the reporting requirements. The Commission has adjusted the total burden hours from 216 to 162 hours because there are only three Bell Operating Companies (BOCs) instead of four—which was reported in 2009.

Bell Operating Companies (BOCs) are required to post their Comparably Efficient Interconnection (CEI) plans and amendments on their publicly accessible Internet sites. The requirement extends to all CEO plans for intraLATA information services, telemessaging, or alarm monitoring services, and for new or amended

payphone services. If the BOC receives a good faith request for a plan from someone who does not have Internet access, the BOC must notify that person where a paper copy of the plan is available for public inspection.

The CEI plans will be used to ensure that BOCs comply with Commission policies and regulations safeguarding against potential anticompetitive behavior by the BOCs in the provision of information services.

Federal Communications Commission.

Secretary, Office of the Secretary, Office of Managing Director.

FEDERAL RETIREMENT THRIFT INVESTMENT BOARD

Privacy Act of 1974; System of Records; Correction

AGENCY: Federal Retirement Thrift Investment Board.

ACTION: Notice of Systems of Records; correction.

SUMMARY: The Federal Retirement Thrift Investment Board (Agency) published a document in the April 14, 1987, **Federal Register**, 52 FR 12065, pursuant to the Privacy Act of 1974, 5 U.S.C. 552a, as amended, in order to describe its new system of records. This system of records included FRTIB-1. On May 7, 1990, the Agency published a notice making the system of records final. 55 FR 18949. The 1990 publication of FRTIB-1 purported to account for each routine use and to provide justification for each deleted routine use. However, subpart "r" was deleted without justification. Internal Agency documents show that routine use "r" was omitted from the 1990 publication as a result of scrivener's error. Therefore, since this omission was unintentional, routine use "r" has been in effect since the 1987 publication. In order to reform the system of records to the Agency's intent, this notice restores routine use "r" to the 1990 notice and to each subsequent version (FR Doc. 90-10373, FR Doc. 94-12321, FR Doc. 99-23830, FR Doc. E9-887) of FRTIB-1. This deletion was a technical error, and is hereby corrected.

FOR FURTHER INFORMATION CONTACT: Erin F. Graham, (202) 942-1605.

Correction

In the **Federal Register** of January 16, 2009, in FR Doc. E9-887, on page 3043, restore routine use "r" and redesignate it as paragraph "v" to read as follows:

v. To disclose to an official of another Federal agency information needed in the performance of official duties related to reconciling or reconstructing data files, compiling descriptive statistics, and making analytical studies in support of the function for which the records were collected and maintained.

Dated: March 29, 2012.

General Counsel.

The agency will do so in order to " * * * establish and maintain inventory of literature, research, and studies on the health effects of toxic substances" under CERCLA Section 104(i)(1)(B), to respond to requests for consultation under section 104(i)(4), and to support the site-specific response actions conducted by ATSDR, as otherwise necessary.
