Overview of This Information Collection

(1) *Type of Information Collection:* Reauthorization of a currently approved collection.

(2) *Title of the Form/Collection:* Eligibility and Compensation Form.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number:* N/A. Civil Division.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: The September 11th Victim Compensation Fund of 2001 provides compensation to any individual (or beneficiary of a deceased individual) who was physically injured or killed as a result of the terrorist-related aircraft crashes of September 11, 2001. The information collected from the Eligibility and Compensation Form will be used to determine whether claimants will be eligible for compensation from the Fund, and if so, the amount of compensation they will be awarded. The Form consists primarily of two main sections: Eligibility and Compensation.

The Eligibility section seeks the information required by the Zadroga Act to determine whether a claimant is eligible for the Fund, including information related to: participation in lawsuits related to September 11, 2001; presence at a 9/11 crash site between September 11, 2001 and May 30, 2002; and physical harm suffered as a result of the air crashes and/or debris removal.

The Compensation section seeks the information required by the Zadroga Act to determine the amount of compensation for which the claimant is eligible. Specifically, the section seeks information regarding the out-of-pocket losses (including medical expenses) incurred by the claimant that are attributable to the 9/11 air crashes or debris removal; the claimant's loss of earnings or replacement services that are attributable to the 9/11 air crashes or debris removal; and any collateral source payments (such as insurance payments) that the claimant received as a result of the terrorist-related aircraft crashes of September 11, 2001 or debris removal efforts.

(5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to

respond: It is estimated that 70,000 respondents will complete the form in an average of 10 hours.

(6) An estimate of the total public burden (in hours) associated with the collection: There are an estimated 700,000 annual total burden hours associated with this collection.
