

Order 12866 and is therefore not subject to Office of Management and Budget (OMB) review.

Paperwork Reduction Act

The information collection requirements of this general permit were previously approved by the OMB under the provisions of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*, and assigned OMB control numbers 2040-0086 (NPDES permit application) and 2040-0004 (discharge monitoring reports).

The Regulatory Flexibility Act (RFA)

5 U.S.C. 601 *et seq.*, requires that EPA prepare a regulatory flexibility analysis for rules subject to the requirements of 5 U.S.C. 553(b) that have a significant impact on a substantial number of small entities. However, general NPDES permits are not "rules" subject to the requirements of 5 U.S.C. 553(b), and are therefore not subject to the RFA.

Unfunded Mandates Reform Act

Section 201 of the Unfunded Mandates Reform Act (UMRA), Public Law 104-4, generally requires federal agencies to assess the effects of their "regulatory actions" (defined to be the same as "rules" subject to the RFA) on tribal, state, and local governments and the private sector. However, the general permit issued today is not a "rule" subject to the RFA, and is therefore not subject to the UMRA.

Appeal of Permit

Any interested person may appeal the general permit in the Federal Court of Appeals in accordance with section 509(b)(1) of the Clean Water Act, 33 U.S.C. 1369(b)(1). This appeal must be filed within 120 days of the permit effective date. Persons affected by the permit may not challenge the conditions of the permit in further EPA proceedings (see 40 CFR 124.19). Instead, they may either challenge the permit in court or apply for an individual NPDES permit.

ENVIRONMENTAL PROTECTION AGENCY

Public Water System Supervision Program Approval for the State of Ohio

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of tentative approval.

SUMMARY: Notice is hereby given that the EPA has tentatively approved three revisions to the State of Ohio's public water system supervision program. Ohio EPA has revised several of its rules to comply with the National Primary Drinking Water Regulations, including the Administrative Penalty Authority (APA), the Radionuclides Rule, and the Lead and Copper Rule Minor Revisions (LCRMR). EPA has determined that these revisions are no less stringent than the corresponding federal regulations. Therefore, EPA intends to approve these revisions to the State of Ohio's public water system supervision program, thereby giving Ohio EPA primary enforcement responsibility for these regulations. Ohio EPA has been administering the APA since October 1, 1999, with amendments effective on October 17, 2003. Ohio EPA's revised radionuclide requirements became effective on September 15, 2004, and Ohio EPA adopted the LCRMR into its lead and copper rules on July 24, 2009.

DATES: Any interested party may request a public hearing. A request for a public hearing must be submitted by May 9, 2012, to the Regional Administrator at the EPA Region 5 address shown below. The Regional Administrator may deny frivolous or insubstantial requests for a hearing. However, if a substantial request for a public hearing is made by May 9, 2012, EPA Region 5 will hold a public hearing, and a notice of such hearing will be given in the **Federal Register** and a newspaper of a general circulation. If EPA Region 5 does not receive a timely and appropriate request for a hearing and the Regional Administrator does not elect to hold a hearing on her own motion, this determination shall become final and effective on May 9, 2012. Any request for a public hearing shall include the following information: The name, address, and telephone number of the individual, organization, or other entity requesting a hearing; a brief statement of the requesting person's interest in the Regional Administrator's determination and a brief statement of the information that the requesting person intends to submit at such hearing; and the signature of the individual making the

request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.
