Title 3—

Presidential Determination No. 2012–05 of March 30, 2012

The President

Presidential Determination Pursuant to Section 1245(d)(4)(B) And (C) of the National Defense Authorization Act for Fiscal Year 2012**Memorandum for the Secretary of State[,] the Secretary of the Treasury[, and] the Secretary of Energy**

By the authority vested in me as President by the Constitution and the laws of the United States, after carefully considering the report submitted to the Congress by the Energy Information Administration on February 29, 2012, and other relevant information, and given current global economic conditions, increased production by certain countries, the level of spare capacity, and the existence of strategic reserves, among other factors, I determine, pursuant to section 1245(d)(4)(B) and (C) of the National Defense Authorization Act for Fiscal Year 2012, Public Law 112–81, that there is a sufficient supply of petroleum and petroleum products from countries other than Iran to permit a significant reduction in the volume of petroleum and petroleum products purchased from Iran by or through foreign financial institutions.

I will closely monitor this situation to assure that the market can continue to accommodate a reduction in purchases of petroleum and petroleum products from Iran.

The Secretary of State is authorized and directed to publish this memorandum in the *Federal Register*.
