

burdens associated with recurrent adjustments (especially option symbol proliferation), which were highlighted in the instance of DO (With this change in symbology, all adjusted series can normally be housed under the standard option symbol, dramatically reducing option symbol proliferation.); (2) OCC and the Committee believe alleviation of investor uncertainty is of paramount importance and have concluded that attempts to further modify the Amendment to provide more specific guidance about the application of the Amendment to particular cases may be complicated and thereby create even more uncertainty for investors; and (3) If the reclassification policy is rescinded, non-ordinary dividends which have occasioned adjustments in the past will ordinarily continue to occasion adjustments in the future and thus alleviate investor uncertainty.

The reclassification policy applied to listed options was discussed in and published in interpretative guidance, which will be updated to reflect its rescission.⁵ Clean and marked copies of the updated interpretative guidance are available as described below. The marked copy shows changes from the current language.

The proposed change is consistent with Section 17A of the Act because it facilitates the prompt and accurate clearance and settlement of securities transactions and the protection of investors and reduces unnecessary costs and burdens on investors and persons facilitating transactions on their behalf. It does so in response to investor feedback by reducing uncertainty regarding adjustments for certain cash dividends and distributions. The proposed rule change is not inconsistent with the existing rules of OCC, including any other rules proposed to be amended.

B. Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe that the proposed rule change will have any impact or impose any burden on competition.

⁵ See Exchange Act Release Nos. 34-58059 (June 30, 2008), 73 FR 36367 (July 9, 2008); 34-59442 (February 24, 2009), 74 FR 9654 (March 5, 2009); and 34-62879 (September 9, 2010), 75 FR 56631 (September 16, 2010). Consistent with past practice, the interpretative guidance will be available on OCC's public Web site but not incorporated into OCC's By-Laws and Rules.

OCC has not solicited and does not intend to solicit comments regarding this proposed rule change. OCC has not received any unsolicited written comments from interested parties.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66743; File No. SR-CBOE-2012-034]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Correct Hyperlink in Rule 5.5A

April 5, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 2, 2012, Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

⁶ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

CBOE proposes to correct a hyperlink to the Options Listing Procedures Plan ("OLPP") in Rule 5.5A. No substantive changes are proposed in this filing. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

In SR-CBOE-2009-084, the Exchange codified in new Rule 5.5A certain provisions of the OLPP pertaining to selecting new option series and certain strike setting parameters that had been previously adopted under the OLPP.³ As a courtesy to users of the Exchange's electronic rules, CBOE set forth the hyperlink to a complete copy of the OLPP in Rule 5.5A(a). The Options Clearing Corporation maintains the Web site where the complete copy of the OLPP is located. The hyperlink in Rule 5.5A(a) has changed since Rule 5.5A was originally adopted. CBOE now proposes to amend Rule 5.5A(a) by setting forth the updated hyperlink to a complete copy of the OLPP. No substantive changes to CBOE rules are being made by this proposal.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)⁴ of the Act and the rules

and regulations under the Act, in general, and furthers the objectives of Section 6(b)(5),⁵ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanisms of a free and open market and a national market system, and, in general, to protect investors and the public interest. The proposal will protect investors and the public interest by providing them with the correct hyperlink from which to access a complete copy of the OLPP.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)⁶ of the Act and paragraph (f) of Rule 19b-4⁷ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of such filing also will be available for inspection and copying at the principal office of the Exchange.
