

Abstract: Program agencies authorize Treasury to recover payments that have been issued after the death of the beneficiary. FMS Form 133 is used by Treasury to notify financial organizations (FO) of the FO's accountability concerning the funds. When an FO does not respond to the FMS 133, Treasury then prepares FMS 135 and sends it to the Federal Reserve Bank (FRB) to request that the FRB debit the FO's account.

Current Actions: Extension of currently approved collection.

Type of Review: Regular.

Affected Public: Business or other for-profit.

Estimated Number of Respondents: 223,128.

Estimated Time per Respondent: 12 minutes.

Estimated Total Annual Burden Hours: 44,625.

Comments: Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance and purchase of services to provide information.
