Intended Recipients of the Award: 45 Existing GEC awardees.

Amount of the Awards: \$42,222.

Project Period: July 1, 2012 through June 30, 2014.

Authority: Section 753(a) of the Public Health Service Act, as amended by Section 5305 of the Affordable Care Act.

Justification

The programmatic supplements will allow the Bureau of Health Professions to consolidate resources and provide enhanced technical assistance, grant funds, grant monitoring and oversight to the AD initiative within currently existing grants. Providing the additional funding to existing grantees also has benefits for program evaluative purposes since the GEC grantees already have evaluation requirements with which they comply. This programmatic supplement aligns with the current GEC budget period cycle, resulting in administrative savings over a competitive grant making process.
