**SECURITIES AND EXCHANGE
COMMISSION**

[Release No. 34-66784; File No. SR-CBOE-2012-035]

**Self-Regulatory Organizations;
Chicago Board Options Exchange,
Incorporated; Notice of Filing and
Immediate Effectiveness of a Proposed
Rule Change To Amend Its Fees
Schedule**

April 11, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 2, 2012, the Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's
Statement of the Terms of Substance of
the Proposed Rule Change**

The Exchange proposes to amend its Fees Schedule. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

**II. Self-Regulatory Organization's
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

**A. Self-Regulatory Organization's
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change****1. Purpose**

The Exchange proposes to amend its Fees Schedule. Specifically, the Exchange proposes to increase voluntary professional and professional transaction fees for equity options and index, ETF, ETN and HOLDRs options (aside from OEX, XEO, SPXW and Volatility Indexes) from \$0.20 per contract to \$0.25 per contract (with the exception of transactions executed as Qualified Contingent Cross ("QCC") trades or transactions executed through the Exchange's Automated Improvement Mechanism ("AIM") when the professional or voluntary professional is on the Agency/Primary side). The fees for QCC and AIM Agency/Primary transactions will remain \$0.20 per contract, (the same amount assessed to broker-dealers for such transactions). This change is proposed due to competitive reasons and to better reflect the costs associated with supporting a larger number of option classes, option series, and overall transaction volumes that have grown over time. Moreover, professional and voluntary professional trading volume has increased heavily over the past three years,³ and the Exchange has therefore had to continually invest in software, hardware and personnel. Also, this \$0.25 per contract fee is in line with similar fees offered on other exchanges,⁴ and the Exchange believes professional and voluntary professional customers can bear this increased fee.

Because the regular voluntary professional and professional transaction fees discussed herein will be different from those for AIM Agency/Primary transactions, the Exchange also proposes to amend footnote (19) of the Fees Schedule to reflect the fact that the AIM Agency/Primary fee applies to voluntary professional and professional transactions.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of

³ Exchange professional and voluntary professional trading volume has increased from 49,313 contract sides in February 2009 to 3,420,160 contract sides in February 2012.

⁴ See NYSE Amex LLC ("Amex") Fee Schedule, which assesses professional customers a \$0.25 per contract fee for manual executions and a \$0.23 per contract fee for electronic executions.
