Notice of Submission of Proposed Information Collection to OMB Community Development Block Grant (CDBG) Entitlement Program

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice.

SUMMARY: The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

The closeout instructions apply to Community Development Block Grant (CDBG) programs (State CDBG Program, CDBG Disaster Recovery Supplemental Funding, CDBG-Recovery Act (CDBG-R)) and Neighborhood Stabilization Programs (NSP) 1, 2, & 3. Section 570.509 of the CDBG regulations contains the grant closeout criteria for Entitlement jurisdictions when HUD determines, in consultation with the recipients that a grant can be closed. The total annual reporting for grant closeout is estimated at 2399.34 hours for 1,621 grant recipients. The annual submission of the HUD 7082 funding approval form is estimated at 364 hours for 1,456 grant recipients.

Title of Proposal: Single Family Customer Satisfaction Survey.

Description of Information Collection: This information collection consists of a survey of users of the Department's Federal Housing Administration (FHA) primary contact center. It is designed to determine whether the Department is appropriately and adequately serving their needs. It follows HUD's commitment to use surveys to measure performance and changes in performance.

In addition to the importance HUD management places on the information provided by customers, the Federal Government mandates collecting this

information through Executive Order (EO) 12862. This EO mandates that agencies survey their customers to identify the kind and quality of services they want their level of satisfaction with existing services.

FHA operates a contact center designed to provide program guidelines, insurance processing information, and consumer information. In order to evaluate the level of service that is provided to HUD/FHA clients the agency contact center management team requires the input of its clients on the performance of the customer service operation. This operation includes the contracted contact center agents, agency staff that support them, as well as the contact center self-service option available via a web-based frequently asked questions (FAQ) site. The survey includes three separate survey types:

- **Internal Resolution:** A five question survey to determine satisfaction with questions that required escalation from FHA Resource Center contract staff to agency staff for resolution.

- **Escalated Resolution:** A five question survey to determine satisfaction with questions that were resolved by contracted FHA Resource Center staff.

- **Self-Service Resolution:** A four question survey to determine satisfaction with questions resolved via the FHA Resource Center self-service internet site.

OMB control number: 2535-0116.

Agency Form Numbers: N/A.

Members of Affected Public: Private sector, general public, small businesses and other for profits.
