II. Self-Regulatory Organization’s Statement of Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CME included statements concerning the purpose and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CME has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of Purpose of, and Statutory Basis for, the Proposed Rule Change

CME proposes to adopt certain rule changes to CME Rule 981, which deals with CME clearing member anti-money laundering (“AML”) compliance programs. At present, CME Rule 981 requires clearing members to develop and implement a written AML program reasonably designed to achieve compliance with applicable requirements of the Bank Secrecy Act (31 U.S.C. 5311, *et seq.*). CME proposes to revise Rule 981 to further require clearing members to have a written AML compliance program reasonably

designed to achieve compliance with the International Emergency Economic Powers Act (50 U.S.C. 1701, *et seq.*), the Trading with the Enemy Act (50 U.S.C. App. 1, *et seq.*), and Executive Orders and regulations issued thereunder.

These amendments would therefore expand Rule 981 to encompass all applicable Office of Foreign Asset Control (OFAC) sanctions programs. OFAC administers and enforces economic and trade sanctions based on U.S. foreign policy and national security goals against targeted foreign countries and regimes, terrorists, international narcotics traffickers, those engaged in activities related to the proliferation of weapons of mass destruction, and other threats to the national security, foreign policy, or economy of the United States. OFAC acts under Presidential national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze assets under U.S. jurisdiction. OFAC sanctions are broad and extraterritorial in scope and all investments and transactions in the U.S., or involving U.S. persons or corporations, must comply.

The proposed rule change that is the subject of this filing will become immediately effective upon filing. CME notes that it has also certified the proposed rule change that is the subject of this filing to its primary regulator, the Commodity Futures Trading Commission. The text of the CME proposed rule amendment is listed above with additions italicized and deletions in brackets.

The proposed CME rule amendment is designed to ensure that CME has in place appropriate eligibility standards by ensuring that clearing members have AML compliance programs that address all applicable requirements. The amendment simply expands existing CME Rule 981 to encompass all applicable OFAC sanctions programs. As such, the proposed amendments constitute a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing CME rule. Therefore, the proposed rule change is therefore properly filed under Section 19(b)(3)(A) and Rule 19b-4(f)(1) thereunder of the Act.

B. Self-Regulatory Organization’s Statement on Burden on Competition

CME does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

CME has not solicited and does not intend to solicit comments regarding this proposed rule change. CME has not received any unsolicited written comments from interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change was filed pursuant to Section 19(b)(3)(A) of the Act and paragraph (f)(1) of Rule 19b-4 thereunder and therefore became effective on filing. At any time within sixty days of the filing of such rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-66848; File No. SR-NASDAQ-2012-052]

Self-Regulatory Organizations; The NASDAQ Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to SQF and BONO Port Fees and Account Fees

April 23, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on April 18, 2012, The NASDAQ Stock Market LLC ("NASDAQ" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by NASDAQ. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to modify Chapter XV, Options Pricing, Section 3, as well as to add an account fee ("Account Fee") via Section 9, of the Options Rules portion of the NASDAQ

Rulebook governing pricing for NASDAQ members using The NASDAQ Options Market ("NOM"), NASDAQ's facility for executing and routing standardized equity and index options.

While fee changes pursuant to this proposal are effective upon filing, the Exchange has designated these changes to be operative on May 1, 2012.

The text of the proposed rule change is available on the Exchange's Web site at <http://www.nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this filing is to recoup some of the costs associated with SQF and BONO ports, as well as to assess a new fee to recoup some of the monthly billing and processing costs associated with participant accounts.

With respect to the proposed SQF port fee ("SQF Port Fee"), initially for which there was no charge,³ the Exchange believes that it is now reasonable to assess the proposed fee because the Exchange is no longer seeking to specifically incentivize market makers to connect to NOM 2.0. Additionally, the proposed SQF Port Fee is less than the range of port fees that are assessed today by NOM,⁴ as well as within the range of Port Fees currently charged by NASDAQ OMX PHLX LLC ("PHLX").⁵
