

During any administrative review covering all or part of a period falling between the first and second or third and fourth anniversary of the publication of an antidumping duty order under 19 CFR 351.211 or a determination under 19 CFR 351.218(f)(4) to continue an order or suspended investigation (after sunset review), the Secretary, if requested by a domestic interested party within 30 days of the date of publication of the notice of initiation of the review, will determine, consistent with *FAG Italia v. United States*, 291 F.3d 806 (Fed Cir. 2002), as appropriate, whether antidumping duties have been absorbed by an exporter or producer subject to the review if the subject merchandise is sold in the United States through an importer that is affiliated with such exporter or producer. The request must include the name(s) of the exporter or producer for which the inquiry is requested.

For the first administrative review of any order, there will be no assessment of antidumping or countervailing duties on entries of subject merchandise entered, or withdrawn from warehouse, for consumption during the relevant provisional-measures "gap" period, of the order, if such a gap period is applicable to the period of review.

Interested parties must submit applications for disclosure under administrative protective orders in accordance with 19 CFR 351.305. On January 22, 2008, the Department published *Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO Procedures*, 73 FR 3634 (January 22, 2008). Those procedures apply to administrative reviews included in this

notice of initiation. Parties wishing to participate in any of these administrative reviews should ensure that they meet the requirements of these procedures (e.g., the filing of separate letters of appearance as discussed at 19 CFR 351.103(d)).

Any party submitting factual information in an antidumping duty or countervailing duty proceeding must certify to the accuracy and completeness of that information. See section 782(b) of the Act. Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives in all segments of any antidumping duty or countervailing duty proceedings initiated on or after March 14, 2011. See *Certification of Factual Information to Import Administration During Antidumping and Countervailing Duty Proceedings: Interim Final Rule*, 76 FR 7491 (February 10, 2011) ("*Interim Final Rule*"), amending 19 CFR 351.303(g)(1) and (2). The formats for the revised certifications are provided at the end of the *Interim Final Rule*. The Department intends to reject factual submissions in any proceeding segments initiated on or after March 14, 2011 if the submitting party does not comply with the revised certification requirements.

These initiations and this notice are in accordance with section 751(a) of the Act (19 U.S.C. 1675(a)) and 19 CFR 351.221(c)(1)(i).

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* April 30, 2012.

FOR FURTHER INFORMATION CONTACT: George McMahon or James Terpstra, AD/CVD Operations Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1167 and (202) 482-3965, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 1, 2011, the Department published in the **Federal Register** a notice announcing the opportunity to request an administrative review of the antidumping duty order on certain hot-rolled carbon steel flat products from India for the period December 1, 2010, through November 30, 2011. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 76 FR 74773, 74774 (December 1, 2011).

On December 30, 2011, and January 3, 2012, Nucor Corporation and U.S. Steel Corporation (collectively, "Petitioners") timely requested that the Department conduct an administrative review of Essar Steel Limited ("Essar"), Ispat Industries Limited ("Ispat"), JSW Steel Limited ("JSW"), and Tata Steel Limited ("Tata"). Pursuant to these requests and in accordance with 19 CFR 351.221(c)(1)(i), the Department published a notice initiating the administrative review of Essar, Ispat, JSW, and Tata. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 77 FR 4759 (January 31, 2012).

On January 31, 2012, the Department placed on the record and invited interested parties to comment on U.S. Customs and Border Protection ("CBP") data, which the Department stated it would use for respondent selection in the instant review. See Memorandum to the File from George McMahon, Senior International Trade Analyst, through Melissa Skinner, Office Director, concerning "Certain Hot Rolled Carbon Steel Flat Products from India: Customs and Border Protection Data for Selection of Respondents for Individual Review," dated January 31, 2012. We received no comments from interested parties on the CBP data.

On February 1, 7, 14, and 15, 2012, JSW, Tata, Essar, and Ispat, respectively, submitted letters informing the Department that they did not make shipments of subject merchandise to the United States during the period of review.

On March 7, 2012 and March 29, 2012, respectively, Nucor Corporation and U.S. Steel Corporation timely withdrew their respective requests for review of Essar, Ispat, JSW, and Tata.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the

⁵ In the initiation notice that published on March 30, 2012 (77 FR 19179), covering cases with the February anniversary dates, the Department inadvertently stated that it had received a timely request to revoke in part the antidumping duty order on Certain Frozen Warmwater Shrimp from the PRC with respect to one exporter, however, the Department actually received timely requests with respect to two exporters.

⁶ If one of the above-named companies does not qualify for a separate rate, all other exporters of Glycine from the PRC who have not qualified for a separate rate are deemed to be covered by this review as part of the single PRC entity of which the named exporters are a part.

⁷ If the above-named company does not qualify for a separate rate, all other exporters of Sodium Hexametaphosphate from the PRC who have not qualified for a separate rate are deemed to be covered by this review as part of the single PRC entity of which the named exporters are a part.

⁸ In the initiation notice that published on March 30, 2012 (77 FR 19179), covering cases with February anniversary dates, the Department inadvertently did not note that it had received timely requests to revoke in part the antidumping duty order on Certain Frozen Warmwater Shrimp from Vietnam with respect to two exporters.

request within 90 days of the date of publication of the notice of initiation of the requested review. As noted above, Petitioners withdrew their respective requests for review of Essar, Ispat, JSW, and Tata within 90 days of the date of publication of the notice of initiation. Moreover, no other interested party requested an administrative review of these respondents. Therefore, in accordance with 19 CFR 351.213(d)(1) and consistent with our practice, we are rescinding this review with respect to Essar, Ispat, JSW, and Tata, and in its entirety.¹

Assessment

The Department will instruct CBP to assess antidumping duties on all appropriate entries. For Essar, Ispat, JSW, and Tata, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent increase in antidumping duties by the amount of antidumping and/or countervailing duties reimbursed.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/ destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply

with the regulations and terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: April 24, 2012.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Corrosion-Resistant Carbon Steel Flat Products From the Republic of Korea: Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Cindy Robinson, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3797.

Background

On October 3, 2011, the U.S. Department of Commerce ("Department") published a notice of initiation of the administrative review of the antidumping duty order on corrosion-resistant carbon steel flat products from the Republic of Korea, covering the period August 1, 2010, to July 31, 2011. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 76 FR 61076 (October 3, 2011). The preliminary results of this review are currently due no later than May 2, 2012.

Extension of Time Limit of Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires that the Department make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested. Section 751(a)(3)(A) of the Act further states that if it is not practicable to complete the review within the time period specified, the administering authority may extend the 245-day period to issue its preliminary results to up to 365 days.

We determine that completion of the preliminary results of this review within the 245-day period is not practicable. Additional time is needed to gather and analyze a significant amount of information pertaining to sales practices, manufacturing costs and corporate relationships pertaining to each company participating in the review. Given the number and complexity of issues in this case, in accordance with section 751(a)(3)(A) of the Act, we are fully extending by 120 days the time period for issuing the preliminary results of review. Therefore, the preliminary results are now due no later than August 30, 2012. The final results continue to be due 120 days after publication of the preliminary results.

This notice is published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: April 24, 2012.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
