FIFRA further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, following the public comment period, the EPA Administrator may approve such a request. The notice of receipt for this action was published for comment on October 7, 2010 (75 FR 62129) (FRL-8848-1). The comment period closed on November 8, 2010.
