[Docket No. CP12-449-000]

#### ONEOK Rockies Midstream, L.L.C.; Notice of Redesignation of Proceeding

On April 11, 2012, ONEOK Rockies Midstream, L.L.C. (ORM) filed a letter in the above-docketed proceeding informing the Commission of a name change related to the Natural Gas Act (NGA) Section 3 Authority and Presidential Permit issued June 16, 2000, in Docket No. CP96-684-001<sup>1</sup> to Bear Paw Energy, L.L.C. (BPE). Specifically, ORM states that its name was filed as an amendment to Delaware incorporation documents to replace BPE, effective September 21, 2011, and that no change in ownership has occurred.

ORM states that the name change has no effect on its obligations and responsibilities under the Presidential Permit and Section 3 authority as provided by the June 16, 2000, order with respect to operation of the natural gas facilities at the international boundary near Portal, North Dakota. Accordingly, pursuant to Section 375.302(r) of the Commission's Rules and Regulations, notice is hereby given that this proceeding is being redesignated to reflect the permit holder's new name.

Dated: May 9, 2012.

Rule 2010 of the Federal Energy Regulatory Commission's (Commission)

Rules of Practice and Procedure provides that, to eliminate unnecessary expense or improve administrative efficiency, the Secretary may establish a restricted service list for a particular phase or issue in a proceeding.<sup>1</sup> The restricted service list should contain the names of persons on the service list who, in the judgment of the decisional authority establishing the list, are active participants with respect to the phase or issue in the proceeding for which the list is established.

The Commission staff is consulting with the Connecticut State Historic Preservation Officer (hereinafter, Connecticut SHPO), and the Advisory Council on Historic Preservation (hereinafter, Advisory Council) pursuant to the Advisory Council's regulations, 36 CFR part 800, implementing section 106 of the National Historic Preservation Act, as amended, (16 U.S.C. 470f), to prepare and execute a programmatic agreement for managing properties included in, or eligible for inclusion in, the National Register of Historic Places that could be affected by issuance of a new license for the Scotland Hydroelectric Project No. 2662.

The programmatic agreement, when executed by the Commission and the Connecticut SHPO would satisfy the Commission's section 106 responsibilities for all individual undertakings carried out in accordance with the license until the license expires or is terminated (36 CFR 800.13[e]). The Commission's responsibilities pursuant to section 106 for the Scotland Hydroelectric Project would be fulfilled through the programmatic agreement, which the Commission proposes to draft in consultation with certain parties listed below. The executed programmatic agreement would be incorporated into any Order issuing a license.

FirstLight Hydro Generating Company, as the licensee for the Scotland Hydroelectric Project No. 2662, and the Mashantucket Pequot Tribe of Connecticut have expressed an interest in this proceeding and are invited to participate in consultations to develop the programmatic agreement.

For purposes of commenting on the programmatic agreement, we propose to restrict the service list for the aforementioned project as follows:

John Eddins or Representative, Office of Planning and Review, Advisory Council on Historic Preservation, 1100 Pennsylvania Ave. NW., Suite 803, Washington, DC 20004

Daniel Forrest or Representative, Archaeologist/Environmental Review Coordinator, Historic Preservation and Museum Division, One Constitution Plaza, 2nd Floor, Hartford, CT 06103

Kathleen Knowles or Representative, Tribal Historic Preservation Officer, Mashantucket Pequot Tribe of Connecticut, 550 Trolley Line Blvd., Mashantucket, CT 06338-3202.

Any person on the official service list for the above-captioned proceeding may request inclusion on the restricted service list, or may request that a restricted service list not be established, by filing a motion to that effect within 15 days of this notice date. In a request for inclusion, please identify the reason(s) why there is an interest to be included. Also please identify any concerns about historic properties, including Traditional Cultural Properties. If historic properties are to be identified within the motion, please use a separate page, and label it NON-PUBLIC Information.

Any such motions may be filed electronically via the Internet.
