Surface Transportation Board

[Docket No. AB 511 (Sub-No. 6X)]

Central Railroad Company of Indianapolis—Abandonment Exemption—in Howard County, IN

Central Railroad Company of Indianapolis (CERA) has filed a verified notice of exemption under 49 CFR part 1152 subpart F—*Exempt Abandonments* to abandon 2.84 miles of rail line on its Tipton Industrial Lead, between mileposts 55.66 and 58.5 in Howard County, Ind.¹ The line traverses United States Postal Service Zip Code 46901.

CERA has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) any overhead traffic can be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7(c) (environmental report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on June 16, 2012, unless stayed pending

¹ By notice served and published in the **Federal Register** on July 22, 2010, CERA obtained authority to abandon the subject line in *Central Railroad Co. of Indianapolis—Abandonment Exemption—in Howard County, Ind.*, AB 511 (Sub-No. 5X) (STB served July 22, 2010). That abandonment authority expired without CERA consummating the abandonment, and CERA has since treated the entire line as an active line of railroad. CERA Letter, *Cent. R.R. Co. of Indianapolis—Aban. Exemption—in Howard Cnty., Ind.*, AB 511 (Sub-No. 5X) (filed July 28, 2011).

reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by May 29, 2012. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by June 6, 2012, with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to CERA's representative: Melanie B. Yasbin, Law Offices of Louis E. Gitomer, LLC, 600 Baltimore Ave., Suite 301, Towson, MD 21204.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

CERA has filed a combined environmental and historic report which addresses the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by May 22, 2012. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling OEA at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Information Relay Service at (800) 877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), CERA shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by CERA's filing of a notice of consummation by May 17, 2013, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C. 2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each OFA must be accompanied by the filing fee, which is currently set at \$1,500. See 49 CFR 1002.2(f)(25).

Board decisions and notices are available on our Web site at "www.stb.dot.gov."

Decided: May 10, 2012.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.

Derrick A. Gardner,

Clearance Clerk.
