Subsidiary of Wells Fargo & Company Home Mortgage Division Including On-Site Leased Workers From Aerotek, Inc., Employee Relations Associates, Manpower, Spherion, and on Call Staffing Solutions, Costa Mesa, CA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on December 1, 2011, applicable to workers of Wells Fargo Bank, N.A., Subsidiary of Wells Fargo & Company, Home Mortgage Division, including on-site leased workers from Aerotek, Inc., Employee Relations Associate, Manpower, and Spherion, Costa Mesa, California (subject firm). The Department's Notice of determination was published in the **Federal Register** on December 13, 2011 (76 FR 77558).

At the request of the State Workforce Office, the Department reviewed the certification for workers of the subject

firm. The workers were engaged in activities related to the supply of mortgage underwriting services.

The subject firm reports that workers from On Call Staffing Solutions were employed on-site at the subject firm. The Department has determined that these workers were sufficiently under the control of the subject firm to be considered leased workers. Based on these findings, the Department is amending this certification to include workers from On Call Staffing Solutions working on-site at the subject firm.

The amended notice applicable to TA-W-80,278 is hereby issued as follows:

All workers of Wells Fargo Bank, N.A., Subsidiary of Wells Fargo & Company, Home Mortgage Division, including on-site leased workers from Aerotek, Inc., Employee Relations Associate, Manpower, Spherion, and On Call Staffing Solutions, Costa Mesa, California, who became totally or partially separated from employment on or after July 6, 2010 through December 1, 2013, and all workers in the group threatened with total or partial separation from employment on December 1, 2011 through December 1, 2013, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

#### **Chicopee Inc., a Subsidiary of Polymer Group, Inc., Including On-Site Leased Workers From Manpower Staffing, North Little Rock, AR; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended ("Act"), 19 U.S.C. 2273, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on January 6, 2012, applicable to workers and former workers of Chicopee, Inc., a subsidiary of Polymer Group, Inc., including on-site leased workers from Manpower Staffing, North Little Rock, Arkansas (subject firm). The Notice of determination was published in the **Federal Register** on February 16, 2010 (75 FR 7036). The workers are engaged

in employment related to the production of non-woven roll goods.

On March 19, 2012, the State of Arkansas filed a petition on behalf of maintenance workers at the subject firm (TA-W-81,428). During the investigation of TA-W-81,428, the Department determined that there was a causal nexus between subject firm's closure and the workers' separations and that, therefore, worker separations through March 1, 2012 are attributable to conditions specified in the Trade Act of 1974, as amended. The Department has also determined that, given the particular facts presented, it is appropriate to amend this certification to include workers who, due to the subject firm's compliance of federal regulations, were separated after January 6, 2012.

The Department's decision in this case is limited to the precise circumstances of this specific case and should not be considered as any indication of how the Department would proceed in other cases or in other subsequent rulemaking on this subject.

The amended notice applicable to TA-W-71,897 is hereby issued as follows:

All workers from Chicopee, Inc., a subsidiary of Polymer Group, Inc., including on-site leased workers from Manpower Staffing, North Little Rock, Arkansas, who became totally or partially separated from employment on or after July 31, 2008, through March 1, 2012, and all workers in the group threatened with total or partial separation from employment on January 6, 2010 through March 1, 2012, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

**Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance**

After notice of the petitions was published in the **Federal Register** and on the Department’s Web site, as required by Section 221 of the Act (19

U.S.C. 2271), the Department initiated investigations of these petitions. The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed by at least three individuals of the

petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

TA-W No.	Subject firm	Location	Impact date
81,526 .....	Phillips Healthcare/Respironics .....	Murrysville, PA.	

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

TA-W No.	Subject firm	Location	Impact date
81,488 .....	StarTek USA, Inc. ....	Greeley, CO.	

I hereby certify that the aforementioned determinations were issued during the period of *April 23, 2012 through April 27, 2012*. These determinations are available on the Department’s Web site [tradeact/taa/taa](http://tradeact/taa/taa) search form.cfm under the searchable listing of determinations or by calling the Office of Trade Adjustment Assistance toll free at 888-365-6822.
