Abstract: The Automated Commercial Environment (ACE) is a trade processing system that will eventually replace the Automated Commercial System (ACS), the current import system for U.S. Customs and Border Protection (CBP) operations. ACE supports government agencies and the trade community with border-related missions with respect to moving goods across the border efficiently and securely. Once ACE is fully implemented, all related CBP trade functions and the trade community will be supported from a single common user interface. The CBP transition to

ACE began in October 2003 with the launch of the ACE Secure Data Portal, a customized web page that provides a single, user-friendly gateway to access CBP information via the internet for CBP, the trade community and participating Government agencies. In order to participate in the various ACE pilots, companies and/or individuals are required to submit basic information to CBP such as: Their name, their employer identification number (EIN) or social security number, standard carrier alpha code (SCAC), and a statement certifying their capability to connect to the internet. SUPPLEMENTARY INFORMATION: On February 24th, 2012, Interior published a notice in the **Federal Register** seeking public comment on the formation of a multi-stakeholder group to implement USEITI (74 FR 11151). In that notice, Interior stated that it would hold a series of public listening sessions to provide additional opportunities for public comment. In March, Interior held those listening sessions in St. Louis, Missouri; Denver, Colorado; Houston, Texas; and Washington, DC The Consensus Building Institute (CBI), an independent third-party facilitator, analyzed the input from these four public listening sessions, interviews with potential stakeholders, and written comments that were submitted to Interior. Background: In September 2011, President Barack Obama announced the United States' commitment to participate in the Extractive Industries Transparency Initiative. EITI is a signature initiative of the U.S. National Action Plan for the international Open Government Partnership and offers a voluntary framework for governments and companies to publicly disclose in parallel the revenues paid and received for extraction of oil, gas and minerals owned by the state. The design of each framework is country-specific, and is developed through a multi-year, consensus based process by a multi-stakeholder group comprised of government, industry and civil society representatives. On October 25, President Obama named Secretary of the Interior Ken Salazar as the U.S. Senior Official responsible for implementing USEITI. In response, Secretary Salazar posted a White House blog the same day, committing to work with industry and civil society to implement USEITI. For further information on EITI, please visit the USEITI Web page at <http://www.doi.gov/EITI>.

DATES: Comments and requests for a public meeting must be received by August 20, 2012.

ADDRESSES: Comments and meeting requests should be sent to the Alaska State Director, BLM Alaska State Office, 222 West Seventh Avenue, No. 13, Anchorage, Alaska 99513–7504.

FOR FURTHER INFORMATION CONTACT: Mark Fullmer, BLM Alaska State Office, 907–271–5699 or at the address above. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The United States Air Force requests that the Secretary of the Interior, pursuant to Section 204 of the Federal Land Policy and Management Act of 1976, 43 U.S.C. 1714, withdraw the following described land for a period of 20 years from settlement, sale, location, and entry under the public land laws, including the United States mining laws, but not from leasing under the mineral leasing laws, subject to valid existing rights:

This withdrawal application is located within:

Seward Meridian

(a) Demolition Area

T. 17 S., R. 44 W.,

Sec. 33, S $\frac{1}{2}$ NW $\frac{1}{4}$ and N $\frac{1}{2}$ N $\frac{1}{2}$ SW $\frac{1}{4}$.

The area described contains 120 acres.

(b) Petroleum, Oils, and Lubricants Tank Farm

T. 17 S., R. 45 W.,

Sec. 22, N $\frac{1}{2}$ NW $\frac{1}{4}$ SE $\frac{1}{4}$ and N $\frac{1}{2}$ S $\frac{1}{2}$ NW $\frac{1}{4}$ SE $\frac{1}{4}$.

The area described contains 30 acres.

(c) Main Base Area

T. 17 S., R. 45 W.,

Sec. 23, NE $\frac{1}{4}$, N $\frac{1}{2}$ NW $\frac{1}{4}$, SE $\frac{1}{4}$ NW $\frac{1}{4}$, and N $\frac{1}{2}$ SE $\frac{1}{4}$.

The area described contains 360 acres.

(d) Radar Site

T. 17 S., R. 45 W.,

Sec. 24, S $\frac{1}{2}$ N $\frac{1}{2}$ SE $\frac{1}{4}$ SW $\frac{1}{4}$, S $\frac{1}{2}$ SE $\frac{1}{4}$ SW $\frac{1}{4}$, and SW $\frac{1}{4}$ SW $\frac{1}{4}$ SE $\frac{1}{4}$;

The areas described aggregate 130 acres. The total of the areas described aggregate 640 acres.

Records pertaining to the application can be examined in the BLM Alaska State Office at the address shown above. The land was previously segregated by Public Land Order No. 6893 on October 18, 1991, (56 FR 52210 (1991)) which subsequently expired October 17, 2011.

The withdrawal application would not alter the applicability of those public land laws governing the use of land under lease, license, or permit or governing the disposal of the mineral or vegetative resources other than under the mining laws.

The use of a right-of-way or interagency or cooperative agreement would not adequately protect the Federal interest in the King Salmon Air Force Station.

There are no suitable alternative sites available that could be substituted for the above described public land, since the King Salmon Air Force Station is unique.

No water rights would be needed to fulfill the purpose of the requested withdrawal application.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the withdrawal application may present their views in writing to the BLM Alaska State Director at the address indicated above. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
