SUPPLEMENTARY INFORMATION: The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of CNCS, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Propose ways to enhance the quality, utility, and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Comments

A 60-day public comment Notice was published in the **Federal Register** on March 16, 2012. This comment period ended May 15, 2012. No public comments were received from this Notice.

Description: CNCS is seeking approval for two surveys and an interview protocol that will be used to assess the National Performance Measurement Pilot. The purpose of this data collection is for CNCS to understand how grantees have selected, implemented, and reported program performance using pilot measures developed for programs receiving AmeriCorps grants in 2010 and 2011. CNCS will use the results of this assessment to inform the ongoing development of AmeriCorps grantee measures as well as new performance measurement efforts within other CNCS programs. Completion of this information collection is considered completely voluntary and is not required to be considered for or to obtain grant funding support from any CNCS program.

Type of Review: New.

Agency: Corporation for National and Community Service.

Title: National Performance Measurement Assessment.

OMB Number: New.

Agency Number: None.

Affected Public: AmeriCorps State and National State Service Commissions and grantees.

Estimated Number of Total Respondents: 214.

SUPPLEMENTARY INFORMATION:

A. Purpose

Federal Acquisition Regulation (FAR) 19.301 and the FAR clause at 52.219-28, Post-Award Small Business Program Representation implement the Small Business Administration (SBA) Final Rule (71 FR 66434), Small Business Size Regulations; Size for Purposes of Governmentwide Acquisition Contracts, Multiple Award Schedule Contracts and Other Long-Term Contracts; 8(a) Business Development/Small Disadvantaged Business; Business Status Determinations. FAR 19.301 and the FAR clause at 52.219-28, requires that contractors represent size status by updating their representations and certifications at the prime contract level in the Online Representations and Certifications Application (ORCA), and notify the contracting office that it has made the required representation.

The purpose of implementing small business rerepresentation in the FAR is to ensure that small business size status is accurately represented and reported over the life of long-term contracts. The FAR also provides for provisions designed to ensure more accurate reporting of size status for contracts that are novated, merged or acquired by another business. This information is used by the SBA, Congress, Federal agencies and the general public for various reasons such as determining if agencies are meeting statutory goals, set-aside determinations, and market research.
