A. Purpose

Federal Acquisition Regulation (FAR) 19.301 and the FAR clause at 52.219-28, Post-Award Small Business Program Representation implement the Small Business Administration (SBA) Final Rule (71 FR 66434), Small Business Size Regulations; Size for Purposes of Governmentwide Acquisition Contracts, Multiple Award Schedule Contracts and Other Long-Term Contracts; 8(a) Business Development/Small Disadvantaged Business; Business Status Determinations. FAR 19.301 and the FAR clause at 52.219-28, requires that contractors represent size status by updating their representations and certifications at the prime contract level in the Online Representations and Certifications Application (ORCA), and notify the contracting office that it has made the required representation.

The purpose of implementing small business rerepresentation in the FAR is to ensure that small business size status is accurately represented and reported over the life of long-term contracts. The FAR also provides for provisions designed to ensure more accurate reporting of size status for contracts that are novated, merged or acquired by another business. This information is used by the SBA, Congress, Federal agencies and the general public for various reasons such as determining if agencies are meeting statutory goals, set-aside determinations, and market research.
