This study, to be conducted in the exclusive economic zone (EEZ) of the Gulf of Mexico (Gulf) off Florida, is intended to better document the efficacy and practicality of various recompression gear methods.

DATES: Comments must be received no later than 5 p.m., eastern time, on June 28, 2012.

ADDRESSES: You may submit comments on the application by any of the following methods:

- *Email:* 0648-

XC022.FLSeagrant@noaa.gov. Include in the subject line of the email comment the following document identifier: "FL Sea Grant EFP".

- *Mail:* Rich Malinowski, Southeast Regional Office, NMFS, 263 13th Avenue South, St. Petersburg, FL 33701.

The application and related documents are available for review upon written request to any of the above addresses.
