DEPARTMENT OF JUSTICE

Notice of Lodging of Second Amendment to First Amended Consent Decree Under the Clean Water Act

Notice is hereby given that on May 31, 2012, a proposed Second Amendment to First Amended Consent Decree ("Amendment") in *United States and State of Georgia v. City of Atlanta*, Civil Action No. 1:98-CV-1956-TWT, was lodged with the United States District Court for the Northern District of Georgia.

In this action the United States, on behalf of the U.S. Environmental Protection Agency ("U.S. EPA"), and the State of Georgia, at the request of Environmental Protection Division ("EPD") sought penalties and injunctive relief under the Clean Water Act ("CWA") against the City of Atlanta ("Defendant") relating to Defendant's wastewater treatment facilities and the Defendant's wastewater collection and transmission system. The complaint alleged that Defendant violated the CWA, 33 U.S.C. 1251 *et seq.*, and the Georgia Water Quality Control Act, O.C.G.A. § 12-5-21 *et seq.* ("GWQCA"). On December 22, 1999, the Court entered the First Amended Consent Decree ("Decree"), resolving the allegations in the complaint regarding the Defendant's wastewater treatment facilities and Defendant's collection and transmission system. On April 28, 2003, the Court entered Amendments to the Decree to allow the substitution of certain projects required under the Decree.

Defendant satisfied obligations under the Section VII Decree and the Court terminated the Decree on March 31, 2004 as to those obligations. Defendant has completed the majority of the work requirements of the Decree and has made substantial reductions in the total volume of sewage overflows. In order to comply with the requirements of the Decree, the Defendant has raised water and sewer rates by 252% over the past ten years. In addition, a 1% municipal option sales tax within the boundaries of the City of Atlanta has been imposed to contribute to the financing of the City's obligations under the Decree.

Despite the Defendant's efforts and the increase in financing to support those efforts, the Defendant requested a thirteen year extension of the schedule set forth in the Decree to complete the remaining work, due to the financial circumstances the Defendant is facing. The Plaintiffs evaluated the Defendant's financial information and model and the financial condition the Defendant is facing and determined that, based on all
