

designated by the Department of State as "Miscellaneous Foreign Government Offices", as "foreign missions" within the meaning of Section 4302(a)(3) of the Act. I also determine that the provisions of Section 4305 of the Act apply to the acquisition or disposition of real property by or on behalf of such entities.

Pursuant to Section 4305 of the Act, the aforementioned entities are obligated to notify and obtain the approval of the Department of State's Office of Foreign Missions (OFM) before finalizing a proposed acquisition of real property in the United States. Accordingly, all such proposals are subject to disapproval by OFM.

I further determine that such entities shall request approval of their proposed acquisitions of real property by transmitting an official letter to OFM, which at a minimum includes the following information:

1. The exact physical address of the property;
2. A description of the proposed use of the property; and
3. The name and contact information of an individual authorized to discuss the proposed property acquisition with OFM.

Prior to receiving a response from OFM concerning such requests, such entities may not enter into a contract for the purchase of real property, unless the agreement expressly states that its execution is subject to disapproval by the Department of State.

This determination will remain in effect until such time as the Department of State finalizes its acquisition of a new site in Baku, Azerbaijan, on which it can construct a secure, safe, and modern chancery compound.
