

data elements directly into DTC's WAVES platform for announcement to DTC participants.

Beginning in the third quarter of 2012, DTC will start accepting XBRL formatted documents through WAVES for dividend announcements on sponsored ADRs. Following the introduction of the acceptance of XBRL formatted dividend announcements for sponsored ADRs, DTC expects to extend the acceptance of XBRL formatted corporate action announcement documents to unsponsored ADR programs, ordinary securities, and additional corporate action event types. The acceptance of XBRL technology for corporate action announcements should help minimize the possibility of data entry errors and should improve the timeliness of providing information to DTC participants. It should also help further straight-through-processing efforts.

(2) Statutory Basis

The proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to DTC because the proposed changes should make the process for notifying DTC participants of corporate actions timelier and more efficient and should help minimize errors, which should in turn should facilitate the prompt and accurate clearance and settlement of securities transactions.

(B) Self-Regulatory Organization's Statement on Burden on Competition

DTC does not believe that the proposed rule change will have any impact or impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. DTC will notify the Commission of any written comments received by DTC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁵ and Rule 19b-4(f)(4)⁶ thereunder because it is effecting a change in an existing service of DTC that does not adversely affect the

safeguarding of securities or funds in the custody or control of DTC or for which it is responsible and does not significantly affect the respective rights or obligations of DTC or persons using the service. At any time within sixty days of the filing of such rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>) or
- Send an email to rule-comments@sec.gov. Please include File Number SR-DTC-2012-04 on the subject line.

Paper Comments

- Send paper comments in triplicate to Elizabeth M. Murphy, Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.

All submission should refer to File Number SR-DTC-2012-04. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Section, 100 F Street NE., Washington, DC 20549-1090, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of such filings will also be available for inspection and copying at the principal office of DTC and on DTC's Web site at

http://www.dtcc.com/downloads/legal/rule_filings/2011/dtc/2012-04.pdf. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-DTC-2012-04 and should be submitted on or before July 2, 2012.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67135; File No. SR-CBOE-2012-055]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated: Notice of Filing and Immediate Effectiveness of Proposed Rule Change Regarding the Approval of Trading Permit Holders

June 5, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934, 15 U.S.C. 78s(b)(1), notice is hereby given that on June 5, 2012, Chicago Board Options Exchange, Incorporated ("CBOE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by CBOE. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ the Chicago Board Options Exchange, Incorporated ("CBOE" or the "Exchange") proposes to temporarily suspend the requirements of CBOE Rules 3.7, 3.9 and related CBOE and CBOE Stock Exchange, LLC ("CBSX") rules concerning the approval of new Trading Permit Holders in order to approve Apex Clearing, Inc., f/k/a Ridge Clearing and Outsourcing Solutions, Inc. ("Apex Clearing") as a CBOE and CBSX Trading Permit Holder, subject to Apex Clearing

complying with CBOE and CBSX rules for a new Trading Permit Holder within 30 calendar days of the date that Apex Clearing is provisionally approved as a CBOE and/or CBSX Trading Permit Holder. The Exchange is also proposing to accept Apex Clearing's assumption of all of the existing clearing agreements and arrangements currently in effect between Penson Financial Services Inc. ("PFSI") and various other CBOE and CBSX Trading Permit Holders by execution of a global agreement thereto. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/legal>), at the Exchange's Office of the Secretary and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes this rule filing to temporarily suspend the requirements of CBOE Rules 3.7, 3.9 and related CBOE and CBSX rules regarding the approval of Trading Permit Holders in order to immediately approve Apex Clearing as a CBOE and CBSX Trading Permit Holder.² The Exchange proposes this temporary suspension on an emergency basis to ensure that Apex Clearing can continue the clearing operations of PFSI without unnecessary disruption, which could have a significant collateral impact to a number of other Trading Permit Holders. The proposed temporary suspension is contingent upon Apex Clearing having complied with all CBOE and CBSX rules applicable to the approval of new Trading Permit Holders within 30 calendar days of the date Apex is provisionally approved as a CBOE and

² Chapters 50–55 of CBOE's rules set forth the rules applicable to CBSX. Appendix A to the rules applicable to CBSX incorporates, by reference, numerous CBOE rules that are applicable to CBSX, including several rules in Chapter 3 of the CBOE rules related to the application process.

CBSX Trading Permit Holder pursuant to this filing.

On May 31, 2012, Apex Clearing Investment LLC ("Apex Holdings"), Broadridge Financial Solutions, Inc. ("Broadridge"), PFSI and Penson Worldwide, Inc. ("PWI") (together, the "Parties") consummated a transaction resulting in a change in ownership of Apex Clearing.³ Broadridge, Apex Holdings, PWI and PFSI each made capital investments in Apex Holdings ("Apex Holdings"), the holding company parent of Apex Clearing. PFSI also assigned all of its U.S. clearing contracts and all customer and introducing broker proprietary accounts along with key personnel to Apex Clearing (the "Transferring Accounts").⁴

As a result of the transaction, Apex Clearing, which is not a CBOE or CBSX Trading Permit Holder, will provide the clearing and execution services currently provided to the Transferring Accounts by PFSI. On May 31, 2012, Apex Clearing submitted applications for approval as a CBOE and CBSX Trading Permit Holder respectively. However, because of the expedited nature of the transaction, Apex Clearing was unable to fully comply with CBOE Rules 3.7, 3.9 and related CBOE and CBSX rules regarding the approval of new Trading Permit Holders. Because of the need for seamless continuity with respect to the Transferring Accounts, Apex Clearing has requested that the Exchange temporarily suspend its rules related to the approval of new CBOE and CBSX Trading Permit Holders in order to enable Apex Clearing's approval as a CBOE and CBSX Trading Permit Holder on an expedited basis. Pursuant to its request, Apex Clearing will fully comply with the Exchange's requirements for new Trading Permit Holders within 30 calendar days after the provisional approval.

CBOE Rule 3.7 sets forth requirements to submit certain documents required of Trading Permit Holder applicants, including, among other things, (i) a copy of the articles or certificate of incorporation, the by-laws of the organization and any amendments to those documents; (ii) any other documents relating to the registration, governance, capital structure, or

³ Prior to the Transaction, Apex Clearing's name was Ridge Clearing & Outsourcing Solutions, Inc. Prior to the transaction, Ridge Clearing & Outsourcing Solutions, Inc. contributed its outsourcing operations and all associated personnel and systems to its affiliated entity, Broadridge Securities Processing Solutions, LLC ("BSPS") where it will continue to provide operations support and outsourcing services to a number of broker-dealers, including Apex Clearing.

⁴ See Penson Worldwide, Inc. Form 8-K dated May 31, 2012.

ownership of the organization that are requested by the exchange; and (iii) a copy of its Form BD. CBOE Rule 3.9 sets forth the application procedures and information regarding the approval or disapproval of a Trading Permit Holder applicant. CBOE Rule 3.9 requires, among other things, (i) submission of an application in a form and manner prescribed by the Exchange; (ii) any required application fees; and (iii) any additional information requested by the Exchange in connection with the Exchange's review of the application.

In addition, the Exchange reviews whether the applicant meets federal and CBOE capital requirements and whether it has adopted controls and procedures to comply with Exchange rules.

Due to the amount of information an applicant is required to provide and have completed prior to being approved as a CBOE and CBSX Trading Permit Holder, the Trading Permit Holder approval process generally takes several weeks to complete. The length of time varies based on the timing of the applicant's response to requests for information and documentation.

As proposed, Apex Clearing will continue the clearing and certain other operations of PFSI as of June 6, 2012. In order to avoid interruption of the services PFSI currently provides to other Exchange Trading Permit Holders, CBOE believes that Apex Clearing should be approved immediately as a CBOE and CBSX Trading Permit Holder. The Exchange notes that Apex Clearing is already a registered broker dealer and FINRA member.

The Exchange therefore proposes providing Apex Clearing with a temporary suspension of CBOE Rules 3.7, 3.9 and any additional rules related to the approval to operate a CBOE or CBSX Trading Permit Holder and approval of a proposed Trading Permit Holder's associated persons (as applicable), and immediately approve Apex Clearing as a CBOE and CBSX Trading Permit Holder. As proposed this temporary suspension is contingent upon:

- Apex providing the Exchange with sufficient information to confirm that Apex will meet its capital requirements as a CBOE and CBSX Trading Permit Holder; and
- Within 30 calendar days of Apex Clearing's provisional approval as CBOE and CBSX Trading Permit Holders under this proposed filing, Apex Clearing and its associated persons will have complied with the Exchange's requirements for new Trading Permit Holders as set forth in CBOE Rules 3.7, 3.9 and any additional rules related to the approval to operate a CBOE or CBSX

Trading Permit Holder and approval of a proposed Trading Permit Holder's associated persons (as applicable).

As proposed, if Apex Clearing does not comply with all applicable CBOE and CBSX application requirements within 30 calendar days of the date of the provisional approval, its status as an approved CBOE and CBSX Trading Permit Holder (as applicable) will no longer be effective.

In addition, the Exchange proposes to permit Apex Clearing to assume all existing clearing agreements and arrangements currently in effect with other Trading Permit Holders by execution of global agreements thereto. Notice of such assumption will be provided to impacted Trading Permit Holders through issuance of an Information Circular prior to the effective date thereof.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b)⁵ of the Securities Exchange Act of 1934 (the "Act"), in general, and furthers the objectives of Section 6(b)(5)⁶ in particular in that it is designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts, to remove impediments to and to perfect the mechanism for a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes that permitting the expeditious approval of Apex Clearing as a CBOE and CBSX Trading Permit Holder will avoid interruption of the services PFSI currently provides to other CBOE and CBSX Trading Permit Holders. Based on information and representations provided by Apex Clearing, a temporary suspension of certain CBOE and CBSX rules related to the approval of a Trading Permit Holder is needed based on the expedited nature of the transaction to enable seamless continuity with respect to the transferring accounts. Consequently, CBOE believes that temporary suspension of these requirements so that Apex Clearing can be approved immediately as a CBOE and CBSX Trading Permit Holder will help to foster cooperation and coordination with persons engaged in facilitating transactions in securities and is consistent with the Act.

⁶ 15 U.S.C. 78f(b)(5).

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and Rule 19b-4(f)(6) thereunder.⁸ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6)(iii) thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

The Exchange has asked the Commission to waive the five-day pre-filing requirement and the 30-day operative delay so that the proposed rule change may become operative immediately upon filing. The Commission notes that the Exchange is proposing that certain of its rules relating to membership requirements be temporarily suspended so that Apex

⁸ 17 CFR 240.19b-4(f)(6).

⁹ 15 U.S.C. 78s(b)(3)(A).

¹⁰ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission is waiving this five-day pre-filing requirement.

¹¹ 17 CFR 240.19b-4(f)(6).

¹² 17 CFR 240.19b-4(f)(6)(iii).

Clearing can be provisionally approved as a CBOE and CBSX Trading Permit Holder. The proposed relief does not exempt Apex Clearing from Exchange rule requirements governing a CBOE and CBSX Trading Permit Holders. Apex Clearing would have a 30 calendar day grace period within which to apply for and be approved under relevant Exchange rules. Moreover, the Commission believes that waiver of the 30-day operative delay is appropriate to ensure a smooth transition of PFSI operations to Apex Clearing. In particular, given the rapidity with which events have developed, waiver of the 30-day operative delay is necessary to avoid significant disruption to PFSI's existing customers and the market generally. Therefore, the Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest and designates the proposed rule change as operative upon filing.¹³

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67121; File No. SR-Phlx-2012-73]

Self-Regulatory Organizations; NASDAQ OMX PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Strategies

June 5, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹, and Rule 19b-4² thereunder, notice is hereby given that, on May 25, 2012, NASDAQ OMX PHLX LLC ("Phlx" or "Exchange") filed with the Securities and Exchange Commission

("SEC" or "Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to clarify the information that is required by the Exchange when executing dividend,³ merger,⁴ short stock interest⁵ and reversals⁶ and conversion⁷ strategies.

While the changes proposed herein are effective upon filing, the Exchange has designated these changes to be operative on June 1, 2012.

The text of the proposed rule change is available on the Exchange's Web site at <http://www.nasdaqtrader.com/micro.aspx?id=PHLXfilings>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

³ A dividend strategy is a transaction done to achieve a dividend arbitrage involving the purchase, sale and exercise of in-the-money options of the same class, executed the first business day prior to the date on which the underlying stock goes ex-dividend.

⁴ A merger strategy is a transaction done to achieve a merger arbitrage involving the purchase, sale and exercise of options of the same class and expiration date, executed the first business day prior to the date on which shareholders of record are required to elect their respective form of consideration, i.e., cash or stock.

⁵ A short stock interest strategy is a transaction done to achieve a short stock interest arbitrage involving the purchase, sale and exercise of in-the-money options of the same class.

⁶ Reversals are established by combining a short stock position with a short put and a long call position that shares the same strike and expiration.

⁷ Conversions are established by combining a long position in the underlying security with a long put and a short call position that shares the same strike and expiration.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to clarify the Exchange's requirements for members transacting strategies on the Exchange. The Exchange originally required members to submit a written rebate request form along with supporting documentation when transacting strategies to receive a rebate. On June 28, 2007, the Exchange eliminated its manual rebate process and replaced it with an automated process.⁸ The Exchange modified its trade tickets to allow for members to designate on the trade ticket whether the trade involved a dividend, merger, or short stock interest strategy.⁹ The Exchange later stated that in order to capture the necessary information electronically, it would require members to designate on the trade ticket whether the trade involved a dividend, merger, short stock interest or reversal and conversion strategy ("Strategy Trade"). Today, members are required to enter the proper code on the trading ticket¹⁰ and into the system, or directly into the Floor Broker Management System¹¹ ("FBMS").¹²

At this time, the Exchange proposes to amend the process by which members may input a Strategy Trade by adopting a process to allow members to request Exchange staff on the trading floor to input a code into the system.¹³ The Exchange realizes that there are situations where a floor broker may

⁹ *Id.*

¹⁰ The Exchange has designated "Z1" for dividend strategies, "Z2" for merger strategies, "Z3" for short stock interest strategies and "Z4" for reversal and conversion strategies.

¹¹ FBMS is designed to enable Floor Brokers and/or their employees to enter, route and report transactions stemming from options orders received on the Exchange. FBMS also is designed to establish an electronic audit trail for options orders represented and executed by Floor Brokers on the Exchange, such that the audit trail provides an accurate, time-sequenced record of electronic and other orders, quotations and transactions on the Exchange, beginning with the receipt of an order by the Exchange, and further documenting the life of the order through the process of execution, partial execution, or cancellation of that order.
