Abstract: The regulations in 9 CFR parts 1 through 3 were promulgated under the Animal Welfare Act (the Act) (7 U.S.C. 2131 *et seq.*) to ensure the humane handling, care, treatment, and transportation of animals covered under the Act. The Act and regulations are enforced by the U.S. Department of Agriculture's Animal and Plant Health Inspection Service.

The regulations in 9 CFR part 3, subparts A, D, and E, cover dogs and cats, nonhuman primates, and marine mammals, respectively. Subparts B and C cover rabbits, guinea pigs, and hamsters. Subpart F of 9 CFR part 3 covers warmblooded animals other than dogs, cats, nonhuman primates, marine mammals, rabbits, guinea pigs, and hamsters. Regulated facilities are required to keep certain records and provide specific information regarding health and feeding, housing, space, transportation, exercise, perimeter fencing, marine mammal interactive programs, and programs of veterinary care. We review this information to evaluate program compliance.

We are asking the Office of Management and Budget (OMB) to approve our use of these information collection activities for an additional 3 years.

The purpose of this notice is to solicit comments from the public (as well as affected agencies) concerning our information collection. These comments will help us:

- (1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of our estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, through use, as appropriate, of automated, electronic, mechanical, and other collection technologies; e.g., permitting electronic submission of responses.

Estimate of burden: The public reporting burden for this collection of information is estimated to average 0.291821788 hour per response.

Respondents: Dealers, research facilities, exhibitors, carriers, and immediate handlers.

Estimated annual number of respondents: 11,687.

Estimated annual number of responses per respondent: 14.73235219.

Estimated annual number of responses: 172,177.

Estimated total annual burden on respondents: 50,245 hours. (Due to averaging, the total annual burden hours may not equal the product of the annual number of responses multiplied by the reporting burden per response.)

All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Done in Washington, DC, this 6th day of June 2012.

[B–43–2012]

Foreign-Trade Zone 139—Sierra Vista, AZ; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Sierra Vista Economic Development Foundation, Inc., grantee of FTZ 139, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee's “service area” in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on June 5, 2012.

FTZ 139 was approved by the Board on March 13, 1987 (Board Order 352, 52 FR 9320, 03/24/1987). The current zone project includes the following site: *Site 1* (4.7 acres)—Sierra Vista Commerce Center, Highway 90, Sierra Vista.

The grantee's proposed service area under the ASF would be Cochise County, Arizona, as described in the application. If approved, the grantee

would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Naco U.S. Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include the existing site as a "magnet" site. No subzones/usage-driven sites are being requested at this time.

In accordance with the Board's regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is August 13, 2012. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to August 27, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.
