Overview of This Information

1. *Type of information collection:* Re-instatement of previously approved data collection, Survey of General Purpose Law Enforcement Agencies (SGPLEA), 2012.

2. *The title of the form/collection:* Survey of General Purpose Law Enforcement Agencies (SGPLEA), 2012.

3. *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* The form labels are SGPLEA, Bureau of Justice Statistics, Office of Justice Programs, U.S. Department of Justice.

4. *Affected Public Who Will be Asked or Required to Respond, as well as a Brief Abstract:* General purpose law state and local law enforcement agencies, including police departments, sheriffs, and constables at the state, county and municipal level, including tribal law enforcement agencies. Abstract: The Bureau of Justice Statistics (BJS) proposes to implement a Survey of General Purpose Law Enforcement Agencies (SGPLEA). This survey builds upon the previous eight waves of the BJS-sponsored surveys in the Law Enforcement Management and Administrative Statistics (LEMAS) Program. The SGPLEA will continue to generate nationally-representative estimates of the nature of law enforcement agencies and personnel by focusing on a smaller set of core issues in contemporary policing. With the revision to the SGPLEA, BJS will produce law enforcement statistics that will include a consistent set of core items and topical supplements that will vary from wave to wave. In addition to core issues concerning the number and type of agencies, the nature and diversity of law enforcement personnel, employee wages and benefits, agency budgets and organizational responses to contemporary law enforcement issues, the supplemental components of the 2012 SGPLEA will collect information on the following categories:

- a. Recruitment and Retention of Staff
- b. Community Policing
- c. Information Systems
- d. Officer Safety
- e. Uses of Force

5. *An Estimate of the Total Number of Respondents and the Amount of Time Estimated for an Average Respondent to Respond:* Based on pilot testing with a draft of the 2012 SGPLEA instrument, the reduction in the total number of variables included in SGPLEA form compared to the 2007 LEMAS forms, and the increased burden on smaller law enforcement agencies, BJS estimates that 3,200 respondents will complete the SGPLEA survey form with an average burden per respondent of 3 hours.

SUPPLEMENTARY INFORMATION: Coal mine operators, their representatives, or their

insurers who have been identified as responsible for paying Black Lung benefits to an eligible miner or an eligible surviving dependent of the miner, are called Responsible Operators (ROs). ROs who pay benefits are required to report any change in the benefit amount to the Division of Coal Mine Workers' Compensation within the OWCP. Form CM-908, when properly completed and submitted, notifies the agency of the change in the beneficiary's benefit amount and the reason for the change. Federal Mine Safety and Health Act of 1977 as amended, section 432 (30 U.S.C. 942) and regulations 20 CFR 725.621 necessitate this information collection.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under OMB Control Number 1240-0030. The current OMB approval is scheduled to expire on June 30, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect after OMB approval. This ICR is classified as a revision, because the OWCP has made certain changes for Form CM-908; however, those changes are not expected to change respondent burden. For example, the OWCP has added the DOL seal and removed a reference to the no longer existent Employment Standards Administration. In addition, the OWCP has added a notice that additional assistance is available for respondents with disabilities and improved accessibility for such persons who access the form on the Internet. The OWCP has also added some functionality to ensure consistency and accuracy for some responses. For additional information, see the related notice published in the **Federal Register** on March 7, 2012 (77 FR 13636).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES**

section within 30 days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should reference OMB Control Number 1240-0030. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
