I. Introduction

In Docket No. C2012–1, the Associated Mail and Parcel Centers, the National Alliance of Retail and Ship Centers, and 11 additional organizations (Complainants) jointly filed a complaint with the Commission concerning the Postal Service's introduction of enhanced services that it offers to post office box customers at certain retail locations.¹ The Postal Service filed a motion to dismiss the Complaint.²

In Order No. 1366, the Commission denied the Motion to Dismiss as to Complainants' claims under sections 3633 and 3642.³ Because it is not clear whether the Complaint raises material issues of law or fact, and to efficiently and effectively fulfill its statutory responsibilities while affording the Complainants and the Postal Service a forum to air their views, the Commission indicated that it would establish this docket as a placeholder for

SUPPLEMENTARY INFORMATION: *Notice of filing.* On June 11, 2012, the Postal Service filed a notice, in accordance with 39 CFR 3015.5, announcing changes in rates not of general applicability for Inbound Air Parcel Post at Universal Postal Union (UPU) rates.¹ The intended effective date is July 1, 2012. *Id.* at 1. Description of product and approach to rates. Air parcels are inbound parcels eligible to receive transportation by air, as opposed to surface. *Id.*, Attachment 1 at 1. The rates apply when there is no contractual relationship with the tendering postal operator. It includes the following attachments:

- Attachment 1—an application for non-public treatment of certain data and Information, including notice of an alternative approach to identifying third parties with a known proprietary interest in the materials;
