

consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹³ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b4(f)(6)(iii),¹⁴ the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative upon filing.

The Commission believes it is consistent with the protection of investors and the public interest to waive the 30-day operative delay.¹⁵ Waiver of the 30-day operative delay will enable an associated person of an Exchange firm to qualify as a Market Maker, MMAT or Floor Broker on NYSE Amex Options by passing the Series 56 exam, which is shared by the other options exchanges. The Commission hereby waives the operative delay making the filing effective and operative upon filing.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-67212; File No. SR-ISE-2012-55]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend a Fee Discount Pilot Program for Large-Sized Foreign Currency Options

June 19, 2012.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the

“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 12, 2012, the International Securities Exchange, LLC (the “Exchange” or the “ISE”) filed with the Securities and Exchange Commission the proposed rule change, as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to extend for an additional year the fee discount for large-sized foreign currency (“FX”) option orders. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to extend for an additional year the fee discount for large-sized FX option orders. The Exchange initially adopted the fee discount for large-sized FX option orders in 2008.³ The fee discount pilot program was subsequently extended⁴ and is now set

to expire on June 30, 2012.⁵ The fee discount applies to orders of 250 contracts or more and waives fees on incremental volume above 250 contracts. Contracts at or under the threshold are charged the constituent's prescribed execution fee. The fee discount applies to all Customer⁶ orders, Firm Proprietary orders, Market Maker orders and Non-ISE Market Maker orders in FX options traded on the Exchange. ISE adopted this fee discount to encourage members to execute large-sized FX option orders on the Exchange in a manner that is cost effective. The Exchange now proposes to extend this fee discount through June 30, 2013 in a continuing effort to attract more activity in large-sized FX options.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁷ in general, and furthers the objectives of Section 6(b)(4),⁸ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Exchange believes the proposed rule change is reasonable and equitable as it would extend a current fee discount, thus effectively maintaining low fees for all market participants that trade in large-sized FX options on the Exchange.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

⁵ See Securities Exchange Act Release No. 64743 (July 24, 2011), 76 FR 38434 (June 30, 2011) (SR-ISE-2011-35).

⁶ The fee discount applies to both Professional and Priority Customer orders. A Priority Customer is defined in ISE Rule 100(a)(37A) as a person or entity that is not a broker/dealer in securities, and does not place more than 390 orders in listed options per day on average during a calendar month for its own beneficial account(s). A Professional Customer is a person who is not a broker/dealer and is not a Priority Customer.

⁸ 15 U.S.C. 78f(b)(4).

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.⁹ At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments
