*Description of Relief Sought:* This is a request for an exemption from § 121.311(b) to the extent required for two typically developing children to use FAA Approved Child Restraint Systems (CRS) on an aircraft, even though the children exceed the weight limits for the CRS. The petitioner requests that these children be allowed to occupy an FAA Approved Child Restraint (CARES, manufactured by AmSafe, Inc.), even though they exceed the manufacturer's weight limits of 44 pounds. In this case, the safety of these children is greatly enhanced by the extra support and security that the FAA Approved Restraint System will provide for them during the flight.
