

(j) Qualified personnel engaged in the use of electronic test, diagnostic, measurement, or survey equipment will be properly trained to recognize the hazards and limitations associated with the use of electronic test, diagnostic, measurement, or survey equipment.

(k) Any piece of equipment subject to this petition will be inspected by an authorized MSHA representative prior to initially placing it in service underground.

Within 60 days after the Proposed Decision and Order becomes final, the petitioner will submit proposed revisions for its approved 30 CFR part 48 training plan to the District Manager. These proposed revisions will specify initial and refresher training regarding the terms and conditions stated in the Proposed Decision and Order.

The petitioner asserts that the proposed alternative method will at all times provide no less than the same measure of protection afforded by the existing standard.

Dated: June 22, 2012.
