Grand Valley Rural Power Lines, Inc., Yampa Valley Electric Association, Inc., Intermountain Rural Electric Association, Tri-State Generation and Transmission Association, Inc. v. Public Service Company of Colorado; Notice of Complaint

Take notice that on June 21, 2012, pursuant to sections 201, 206, and 306 of the Federal Power Act; 16 U.S.C. 824, 824(e) and 825 (2010) and Rules 206 and 212 of the Rules of Practice and Procedure of the Federal Energy Regulatory Commission (Commission); 18 CFR 385.206 and 385.212 (2011), Grand Valley Rural Power Lines, Inc., Yampa Valley Electric Association, Inc., Intermountain Rural Electric Association, and Tri-State Generation and Transmission Association, Inc. (collectively, Complainants) filed a formal complaint against the Public Service Company of Colorado

(Respondent), alleging that the 10.25 percent "Return on Equity" assessed by the Respondent in the formula rate is unjust and unreasonable.

The Complainants state that a copy of the Complaint has been served on the contact for the Respondent as listed on the Commission list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email FERCOnlineSupport@ferc.gov, or call (866) 208–3676 (toll free). For TTY, call (202) 502–8659.

Comment Date: 5:00 p.m. Eastern Time on July 11, 2012.

Dated: June 25, 2012.

Northern Natural Gas Company; Notice of Intent To Prepare an Environmental Assessment for the Proposed A-Line Abandonment Project and Request for Comments on Environmental Issues

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental assessment (EA) that will discuss the environmental impacts of the A-Line Abandonment Project (Project) which would include the abandonment of facilities by Northern Natural Gas Company (Northern) in Ochiltree, Hansford, Hutchinson, and Carson Counties, Texas; Beaver County, Oklahoma; and Kiowa and Clark Counties, Kansas. This EA will be used by the Commission in its decision-making process to determine whether the project is in the public convenience and necessity.

This notice announces the opening of the scoping process the Commission will use to gather input from the public and interested agencies on the project. Your input will help the Commission staff determine what issues need to be evaluated in the EA. Please note that the scoping period will close on July 25, 2012. Further details on how to submit written comments are provided in the Public Participation section of this notice.

This notice is being sent to the Commission's current environmental mailing list for this project. State and local government representatives are asked to notify their constituents of this planned project and encourage them to comment on their areas of concern.

Summary of the Proposed Project

Northern proposes to abandon in by sale to DKM Enterprises, LLC (DKM) for salvage about 126 miles of its A-line consisting of two segments of 24-inch-diameter pipeline. One segment (the Skellytown to Spearman A-line) is about 38 miles long and extends from Northern's abandoned Skellytown Station near Skellytown, Carson County, Texas, to Northern's Spearman Compressor Station in Spearman, Ochiltree County, Texas. The second segment (the Beaver to Mullinville A-line) is about 88 miles long and extends from Northern's Beaver Compressor Station near Beaver, Oklahoma, to its Mullinville Compressor Station near Mullinville, Kansas. Activities Northern would conduct related to the
