NTIA requires quarterly performance progress reports (PPRs) in order to gauge the progress of grantees in meeting their project goals.

NTIA has identified a need to modify its existing PPR format by making minor changes to existing questions and adding new questions to improve clarity, reduce the frequency with which some information is reported, and delete certain items that are not necessary for effective performance monitoring. This modification will improve the quality of recipients' responses and enable NTIA to better monitor and assess the extent to which the recipients are meeting program goals and milestones.

Affected Public: State government; not-for-profit institutions.

Frequency: Quarterly.

Respondent's Obligation: Required to obtain or retain benefits.

Background

Executive Order (E.O.) Number 13175, "Consultation and Coordination with Indian Tribal Governments," (November 6, 2000) requires Federal agencies to have an accountable process to ensure meaningful and timely input by tribal officials in developing policies that have tribal implications.

President Barack Obama reaffirmed the government-to-government relationship between the Federal Government and Indian tribal governments in a White House Memorandum, "Tribal Consultation," 2009 Daily Comp. Press Docs.87 (November 5, 2009). Among other things, this memorandum acknowledges that Indian tribes exercise inherent sovereign powers over their members and territory. The memorandum also acknowledges that the United States continues to work with Indian tribes on a government-to-government basis to address issues concerning Indian tribal self-government, tribal trust resources, and Indian tribal treaty and other rights.

This proposed policy is part of the Department's response to President Obama's memorandum. The Policy builds upon and expands the principles expressed in the Department's previous policy, "American Indian and Alaska Native Policy of the Department of Commerce," promulgated on March 30, 1995. The Policy incorporates the requirements of E.O. No. 13175, and the Office of Management and Budget Memorandum, "Guidance for Implementing E.O. 13175, "Consultation and Coordination with Indian Tribal Governments."

The Department will work with tribes on developing the final policy by sending this draft policy directly to the tribes and by conducting several webinars with Tribes on the policy and how to improve it. We will announce these webinars in future notices posted in the **Federal Register**.

The statements in the draft document are intended solely to provide internal Department guidance. This document is designed to implement E.O. 13175; the draft document does not, however, substitute for requirements in federal statutes or regulations, nor is it a requirement itself. This document is not intended, nor can it be relied upon, to create any right or trust responsibility enforceable in any cause of action by any party against the United States, its agencies, officers or any other person. It does not impose legally binding requirements on the Department or anyone else, and may not apply to a particular situation based upon the circumstances. The Department may

change this Guidance in the future, as needed or appropriate.

Request for Comments

Comments are invited on: Sections 1–7. These sections provide guidance to the Department and all its operating units and its employees on when and how to coordinate consultation with federally recognized Indian tribes on a government-to-government basis, in recognizing their sovereignty, when developing policies that have tribal implications.

Proposed Tribal Consultation and Coordination Policy for the U.S. Department of Commerce.

Section 1. Introduction

01. This “Tribal Consultation and Coordination Policy of the U.S. Department of Commerce” (“Tribal Consultation Policy” or “Policy”) establishes the manner in which the Department of Commerce (“Department”) works with Indian tribes on a government-to-government basis to build a durable relationship and address issues concerning tribal self-government, tribal trust resources, and tribal treaty and other rights, as well as support tribes in developing strong and stable economies able to participate in the national and global marketplace.

02. The Department recognizes the Federal Government’s trust responsibility, as established in the Constitution, statutes, treaties and federal court decisions, which together define the unique legal relationship between Tribal governments and the Federal Government.

03. The Department and operating units will seek and promote cooperation within the Department and with other agencies that have related responsibilities. The Department’s mission encompasses many complex issues where cooperation and mutual consideration among governments (federal, state, tribal, and local) are essential. The Department and operating units will promote intradepartmental and interagency coordination and cooperation to assist Tribal governments in resolving issues requiring mutual effort.

04. Executive Order (E.O.) No. 13175, “Consultation and Coordination with Indian Tribal Governments,” requires federal agencies to have an accountable process to ensure meaningful and timely input by tribal officials in developing policies that have tribal implications. This Policy provides uniform standards and methodology outlining consultation procedures for all Department personnel working with Tribal governments

regarding policies that have tribal implications.

Section 2. Background

01. This Policy builds upon and expands the principles expressed in the “American Indian and Alaska Native Policy of the Department of Commerce,” promulgated by the Department on March 30, 1995. The Tribal Consultation Policy incorporates the requirements of E.O. No. 13175; Presidential Memorandum, “Tribal Consultation,” 2009 Daily Comp. Pres. Docs. 887 (November 5, 2009); and the Office of Management and Budget Memorandum, “Guidance for Implementing E.O. 13175, ‘Consultation and Coordination with Indian Tribal Governments.’”

02. This Policy is for internal management only and shall not be construed to grant or vest any right to any party not otherwise granted or vested by existing law or regulations.

Section 3. Authority

This Tribal Consultation Policy is issued pursuant to the authority of 5 U.S.C. 301 and Department Administrative Order (DAO) 218–8, “Consultation and Coordination with Indian Tribal Governments.” This Policy shall have the same force and effect as a DAO. Amendments (substantive changes) or revisions (corrections or updates) to this Policy may be developed and issued by the Department of Commerce Tribal Consultation Official or the Secretary’s designee in consultation with Tribal governments.

04. “Policies that have tribal implications,” as defined in Section 1(a) of E.O. No. 13175, refers to regulations, legislative comments or proposed legislation, and other policy statements or actions that have substantial direct effects on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

05. “Tribal Consultation Official,” as defined in Section 5(a) of E.O. No. 13175, means the designee of the Secretary with principal responsibility for the implementation of this Policy.

06. “Tribal officials,” as defined in Section 1(d) of E.O. No. 13175, means elected or duly appointed officials of Indian tribal governments or authorized intertribal organizations.

These notifications do not replace or supersede any notifications that are

required by statute or E.O. regarding tribal consultations.

d. Consultation Planning. The Department and operating units will coordinate with tribal officials to plan logistical considerations for the consultation. The Department and operating units will, when practical, allow Tribes a reasonable amount of time to prepare for consultation and submit their views on policies that have tribal implications.

Nor shall this Policy be construed to alter, amend, repeal, interpret, or modify tribal sovereignty, any treaty rights of any Indian tribes, or to preempt, modify, or limit the exercise of any such rights.

03. This Policy is intended to improve the Department's management of its relations and cooperative activities with Indian tribes. The Department and operating units have no obligation to engage in any consultation activities under this policy unless they are practicable and permitted by law. Nothing in this policy requires any budgetary obligation or creates a right of action against the Department for failure to comply with this policy nor creates any right, substantive or procedural, enforceable at law by a party against the United States, its agencies, or any person.

04. This Policy shall be updated as necessary.

Section 9. Effective Date

01. This Policy is effective beginning with the date of this memorandum and will remain in effect until it is amended, superseded by a Departmental Administrative Order, or revoked.

The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on June 27, 2012.

FTZ 241 was approved by the Board on April 6, 2000 (Board Order 1081, 65 FR 20948, 04/19/2000). The current zone project includes the following sites: *Site 1* (915 acres)—Fort Lauderdale Executive Airport complex, Commercial Boulevard, Fort Lauderdale; *Site 2* (11 acres)—CenterPort Industrial Park, NW 8th Avenue, Fort Lauderdale; *Site 3* (278 acres)—Bergeron Park of Commerce & Industry, 19612 SW 69th Place, Fort Lauderdale; *Site 4* (8 acres)—Meridian Business Park, 3335 Enterprise Avenue, Weston; and, *Site 5* (7 acres)—Horst Dorner, 2900 SW. 42nd Street, Fort Lauderdale.
