Homeowners Assistance Program— Application Processing

AGENCY: Under Secretary of Defense for Acquisition, Technology, and Logistics, Office of the Deputy Under Secretary of Defense (Installations and Environment), DoD.

ACTION: Direct final rule.

SUMMARY: This direct final rule makes non-substantive changes to the Expanded Homeowners Assistance Program (HAP) rule. The Expanded HAP, authorized in the American Recovery and Reinvestment Act for 2009 (“the Act”), provided much needed assistance to military and civilian employees, and spouses of military members who died in the line of duty. However, the Expanded HAP eligibility criteria established in the Act, including those criteria that were subsequently changed through

administrative rulemaking procedures, did not establish a deadline for when applications must be submitted to DoD. These changes inform applicants of application deadlines and the current field office address for submitting applications. These changes do not impact the eligibility criteria or other policies and procedures prescribed in the rule.

DATES: This direct final rule is effective September 4, 2012 unless Agency receives significant adverse comments by midnight Eastern Standard Time on August 6, 2012.

FOR FURTHER INFORMATION CONTACT: Phyllis Newton, 703-571-9060.

SUPPLEMENTARY INFORMATION: Due to funding limitations, in the Expanded HAP Final Rule, the Permanent Change of Station (PCS) eligibility criterion date for when PCS orders needed to be issued was changed from September 30, 2012, to September 30, 2010, but the Final Rule retained the September 30, 2012, date for when the house must be sold. In accordance with the Act, the Base Realignment and Closure (BRAC) 2005 eligibility criterion will terminate on September 30, 2012, a full year after implementation of the BRAC 2005 round. It is appropriate to establish application deadlines for Expanded HAP benefits for the PCS and BRAC 2005 categories. To that end, this rule will amend 32 CFR part 239 by adding two paragraphs to Section 239.9(a) to establish the application deadlines. This change does not eliminate anyone's eligibility; rather it simply requires filing of applications in a timely manner. Submission of the applications by the specified deadlines is sufficient even if further documentation is required.

Additionally, the amendment will revise the HAP Field Office address for the submission of HAP applications. The three former field offices were consolidated into one field office in Savannah, Georgia.

The prompt implementation of the Direct Final Rule is of critical importance. Due to the current economic climate, continuing the Expanded HAP provisions for PCS and BRAC 2005 categories is no longer viable. This Direct Final Rule makes nonsubstantive changes to the Expanded HAP rule. These changes inform applicants of application deadlines and the current field office address for submitting applications. These changes do not impact the eligibility criteria or other policies and procedures prescribed in the rule.

Additionally, the Department of Defense has determined that these

changes to the final rule are exempt from public comment as the application deadline is the same as the program termination deadline for the Expanded HAP that was previously established and codified in the final rule and the change of address for the field office is an administrative change.

Direct Final Rule and Significant Adverse Comments

DoD has determined this rulemaking meets the criteria for a direct final rule because it involves nonsubstantive changes dealing with DoD's management of its Expanded HAP. DoD expects no opposition to the changes and no significant adverse comments. However, if DoD receives a significant adverse comment, the Department will withdraw this direct final rule by publishing a notice in the **Federal Register**. A significant adverse comment is one that explains: (1) Why the direct final rule is inappropriate; or (2) why the direct final rule will be ineffective or unacceptable without a change. A significant adverse comment is not a comment that addresses the order of application processing, the ten percent home value loss, and the date of home purchase. In determining whether a comment necessitates withdrawal of this direct final rule, DoD will consider whether it warrants a substantive response in a notice and comment process.

Executive Summary

I. Purpose of the Regulatory Action

a. The Expanded Homeowners Assistance Program (HAP), authorized in the American Recovery and Reinvestment Act of 2009 ("the Act"), provided much needed assistance to military and civilian employees, and spouses of military members who died in the line of duty. However, the Expanded HAP eligibility criteria established in the Act, including those criteria that were subsequently changed through administrative rulemaking procedures, did not establish a deadline for when applications must be submitted to DoD. Based on reductions in the Defense budget in Fiscal Year 2012 and beyond, continuing the Expanded HAP provisions for Permanent Change of Station (PCS) and Base Realignment and Closure (BRAC) 2005 categories is no longer viable. In the Expanded HAP Final Rule, the PCS eligibility criterion date was changed from September 30, 2012, to September 30, 2010, due to funding limitations. However, the Department continues to receive more than 100 eligible applications per month for the PCS

category. Per the Act, the BRAC 2005 eligibility criterion will terminate on September 30, 2012, a full year after the statutory completion of the BRAC 2005 round. It is now time to establish application deadlines for Expanded HAP benefits for the PCS and BRAC 2005 categories. To that end, this rule will amend 32 CFR part 239 by adding two paragraphs to Section 239.9(a) to establish the application deadlines.

b. 42 United States Code, Section 3374, as amended.

II. Summary of the Major Provisions of the Regulatory Action in Question

The HAP Rule, Section 239.9(a) will be amended to add application deadlines for the submission of PCS and BRAC 2005 benefits. This change does not eliminate anyone's eligibility; rather it simply requires filing of applications in a timely manner. Submission of the applications by the specified deadlines is sufficient even if further documentation is required. Additionally, the amendment will revise the HAP Field Office address for the submission of HAP applications. The three former field offices were consolidated into one field office in Savannah, Georgia.

III. Costs and Benefits

There is no cost to the public. The Department of Defense administrative costs for implementation of the authorities under this rule are eight (8) percent of the funds appropriated to execute the Expanded HAP. Workload will be accomplished with additional staffing and be integrated into normal business.

Department of the Navy

32 CFR Part 706

Certifications and Exemptions Under the International Regulations for Preventing Collisions at Sea, 1972

AGENCY: Department of the Navy, DoD.
ACTION: Final rule.

SUMMARY: The Department of the Navy (DoN) is amending its certifications and exemptions under the International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to reflect that the Deputy Assistant Judge Advocate General (DAJAG) (Admiralty and Maritime Law) of the DoN has determined that USS HARRY S. TRUMAN (CVN 75) is a vessel of the Navy which, due to its special construction and purpose, cannot comply fully with certain provisions of the 72 COLREGS without interfering with its special function as a naval ship. The intended effect of this rule is to warn mariners in waters where 72 COLREGS apply.

DATES: This rule is effective July 5, 2012 and is applicable beginning June 25, 2012.

FOR FURTHER INFORMATION CONTACT: Lieutenant Jocelyn Loftus-Williams, JAGC, U.S. Navy, Admiralty Attorney, (Admiralty and Maritime Law), Office of the Judge Advocate General, Department of the Navy, 1322 Patterson Ave. SE., Suite 3000, Washington Navy Yard, DC 20374-5066, telephone number: 202-685-5040.

SUPPLEMENTARY INFORMATION: Pursuant to the authority granted in 33 U.S.C. 1605, the DoN amends 32 CFR part 706.

This amendment provides notice that the DAJAG (Admiralty and Maritime Law) of the DoN, under authority delegated by the Secretary of the Navy, has certified that USS HARRY S. TRUMAN is a vessel of the Navy which, due to its special construction and purpose, cannot comply fully with the following specific provisions of 72 COLREGS without interfering with its special function as a naval ship: Annex

I, paragraph 3(a), pertaining to the placement of the forward masthead light in the forward quarter of the ship; Annex I, paragraph 2(g), pertaining to the placement of the sidelights above the hull; and Annex I, paragraph 2(i)(iii), pertaining to the vertical line spacing of the task lights. The DAJAG (Admiralty and Maritime Law) has also certified that the lights involved are located in closest possible compliance with the applicable 72 COLREGS requirements.

Moreover, it has been determined, in accordance with 32 CFR parts 296 and 701, that publication of this amendment for public comment prior to adoption is impracticable, unnecessary, and contrary to public interest since it is based on technical findings that the placement of lights on this vessel in a manner differently from that prescribed herein will adversely affect the vessel's ability to perform its military functions.
