- I. Introduction
- II. Postal Service Filing
- III. Commission Action

I. Introduction

On June 27, 2012, the Postal Service filed a notice with the Commission announcing its intent to adjust prices for several market dominant products within First-Class Mail and Standard Mail pursuant to 39 U.S.C. 3622 and 39 CFR 3010.¹ The adjustment is a 2-percent discount on the prices for First-Class Mail and Standard Mail letters, flats, and cards (presort and automation), which include a qualifying mobile barcode or similar print technology inside or on the qualifying mailpieces (Mobile Shopping Promotion). Notice at 1. The Mobile Shopping Promotion is proposed to take effect at 12:01 a.m. on November 7, 2012 and will expire at 11:59 p.m. on November 21, 2012. *Id.*

II. Postal Service Filing

Incentive program. The Postal Service proposes an upfront 2-percent discount on First-Class Mail and Standard Mail letters, flats, and cards (presort and automation) that include, in or on the mailpiece, a mobile barcode (or other print/mobile technology). *Id.* This technology must direct the recipients of the mailpieces to a mobile-optimized Web site that allows them to purchase an advertised product on the mobile device. The Postal Service also proposes to allow mailers to qualify for an extra 1-percent rebate on their qualifying mailings, if a portion of their orders is fulfilled via Priority Mail® between November 9, 2012 and December 31, 2012. *Id.* at 1–2. In order to claim the rebate, mailers would be required to demonstrate that the number of Priority Mail packages delivered to customers exceeded 0.5 percent of the total number of qualifying mailpieces sent during the Mobile Shopping Promotion. *Id.* at 7. Mailers may submit applications for this rebate between

January 1, 2013 and February 15, 2013. *Id.* at 9.

Participants will be required to register for and accept the terms of the Mobile Shopping Promotion at least 2 hours prior to their first qualifying mailing. *Id.* at 7–8. Participants must disclose which permits will be participating in the Mobile Shopping Promotion and agree to participate in a survey at the end of the promotional period. *Id.* at 8. The Postal Service plans to open registration around September 15, 2012. *Id.*

The Postal Service will require the mailings to be submitted electronically via mail.dat, mail.xml, or Postal Wizard. Mailers must affirmatively claim the Mobile Shopping Promotion on their electronic postage submissions and certify that each mailpiece meets the requirements. Mailers must claim the Mobile Shopping Promotion discount at the time of mailing. *Id.* Postage must be paid using a permit imprint, pre-cancelled stamp permit, or qualifying meter mail. *Id.* at 8–9.

Standard Mail Flats compliance with 39 U.S.C. 101(d). In its FY2010 Annual Compliance Determination Report, the Commission directed the Postal Service to increase the cost coverage of the Standard Mail Flats product through a combination of above-average price adjustments and cost reductions.² The Postal Service acknowledges that the Mobile Shopping Promotion will have the short-term effect of lowering postage revenues from Standard Mail Flats. However, it contends that the long-term effect will be to encourage future revenue growth by improving the value of direct mail to advertisers. Notice at 10. Also, the Postal Service expects the revenue loss to be much smaller than the loss expected from the Mobile Shopping Promotion approved by the Commission in Docket No. R2012–6. *Id.* at 13.

Impact on the price cap. The Postal Service will not calculate the cap implication of the discount as described in rule 3010.14(b)(1) through (4). *Id.* at 14. The Postal Service states that, consistent with past limited-availability discounts, it intends to essentially ignore the effect of the price decrease resulting from the program on the price cap for both future and current prices. *Id.*

Objectives and factors, workshare discounts, and preferred rates. The Postal Service lists the relevant objectives and factors of 39 U.S.C. 3622, and claims the program to a large extent “does not substantially alter the degree

to which First-Class Mail and Standard Mail prices already address” the objectives and factors. *Id.* at 16. In particular, the Postal Service contends that the Mobile Shopping Promotion is an example of the increased pricing flexibility under the Postal Accountability and Enhancement Act (objective 4), and will encourage new mail volumes, which will have the effect of enhancing the financial position of the Postal Service (objective 5). *Id.* at 16. Similarly, the Postal Service claims that the Mobile Shopping Promotion encourages increased mail volume (factor 7) and will not imperil the ability of First-Class Mail or Standard Mail to cover its attributable costs (factor 2). *Id.* at 18.

According to the Postal Service, the Mobile Shopping Promotion will not impact current workshare discounts. *Id.* As the Mobile Shopping Promotion does not exclude any mailers, the Postal Service asserts that it will not affect compliance with any preferred rate requirements. *Id.* at 19.

Mail Classification Schedule (MCS). The Postal Service provides proposed MCS language in Appendix A of its notice. It outlines the proposed changes in the MCS for the relevant products. *Id.* Appendix A.

III. Commission Action

Applicants’ Representations

1. GLAD and GAIN are closed-end management investment companies that have elected to be regulated as business development companies (“BDCs”) under the Act. Lending is a closed-end management investment company that has filed a notice of intent to elect to be regulated as a BDC pursuant to section 6(f) of the Act. Lending was organized on December 7, 2009, but has not yet commenced operations. A majority of the directors of each of the Funds is or will be persons who are not “interested persons” as defined in section 2(a)(19) of the Act (“Non-Interested Directors”).

2. GMC is registered as an investment adviser under the Investment Advisers Act of 1940 (the “Advisers Act”) and serves as the investment adviser to each Fund. From time to time GMC, or an entity controlling, controlled by, or under common control with GMC, may serve as investment adviser or subadviser to other BDCs or registered closed-end management investment companies (each, a “Closed-End Fund,” and together with the Funds, the “Investors”). Companies subadvised by GMC or an entity controlling, controlled by, or under common control with GMC are included in the term “Closed-End Fund” only if the subadviser controls the Closed-End Fund.

3. GLAD’s Objectives and Strategies are to achieve a high level of current income by investing in certain debt securities issued by private businesses that are family-owned businesses or substantially owned by leveraged buyout funds or individual investors.¹ GAIN’s Objectives and Strategies are to achieve a high level of current income

¹ “Objectives and Strategies” means the investment objectives and strategies of an Investor, as described in the Investor’s registration statement on Form N-2, other filings the Investor has made with the Commission under the Securities Act of 1933 (“Securities Act”), or under the Securities Exchange Act of 1934, and the Investor’s reports to shareholders.

and capital gains by investing in debt and equity securities of private businesses. Lending’s proposed Objectives and Strategies are to generate current income and, to a lesser extent, long-term capital appreciation through investing in syndicated and non-syndicated debt investments of small to mid-sized corporations that are typically larger companies than those in which GLAD or GAIN invest, but which may from time to time be similar to the types of investments in which GLAD and GAIN invest.

4. Partners is a limited partnership organized under Delaware law and is excluded from the definition of investment company by section 3(c)(1) of the Act. Partners’ investment objective is similar to GLAD’s Objectives and Strategies. GMC is the general partner of Partners and serves as its investment adviser.

5. Applicants seek an order (“Order”) under sections 17(d), 57(a)(4), and 57(i) of the Act and rule 17d-1 under the Act to permit two or more of the Investors and Partners to (a) co-invest with each other in securities issued by issuers in private placement transactions² in which GMC negotiates terms in addition to price; and (b) make additional investments in securities of such issuers, including through the exercise of warrants, conversion privileges, and other rights to purchase securities of the issuers (such additional investments, “Follow-On Investments”).³ “Co-Investment Transaction” means any transaction in which an Investor participated together with Partners and/or one or more other Investors in reliance on the Order. “Potential Co-Investment Transaction” means any investment opportunity in which an Investor could not participate together with Partners and/or one or more other Investors without obtaining and relying on the Order. The Order would supersede a previous co-investment order issued to GLAD, GAIN, Partners, Gladstone General Partner, LLC, and GMC.⁴

6. When considering Potential Co-Investment Transactions for any Investor, GMC will consider only the Objectives and Strategies, investment policies, investment positions, capital

² The term “private placement transactions” means transactions in which the offer and sale of securities by the issuer are exempt from registration under the Securities Act.

³ All existing entities that currently intend to rely upon the Order have been named as applicants. Any other existing or future entity that subsequently relies on the Order will comply with the terms and conditions of the application.
