and Human Services (HHS).

**ACTION:** Notice.

role in helping to prevent or control  
high blood pressure or maintain the  
heart health of a loved one to share their  
stories of caregiving by creating original,  
compelling videos that are less than 2

caregiver contributes to another person's  
heart health and provide helpful tips  
related to high blood pressure  
prevention or control.

This challenge is necessary to engage  
a key audience of the Million Hearts™  
initiative and to recognize individuals  
who work hard to provide care for their  
family members or friends. The goal of  
this Challenge is to have caregivers  
create inspiring videos that provide  
other caregivers helpful tips on heart  
healthy practices, particularly on the  
prevention and control of high blood  
pressure. Through these personalized  
videos we intend to promote heart  
disease prevention through blood  
pressure control, medication adherence,  
and lifestyle changes to the public.

**DATES:** Contestants can submit videos  
July 16, 2012 through August 31, 2012.
