Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. chapter 35). Project: Healthy Transitions Initiative Cross-Site Evaluation—NEW

The Substance Abuse and Mental Health Services Administration (SAMHSA), Center of Mental Health Services is responsible for the cross-site evaluation of the Cooperative Agreements for State/Community Partnerships to Integrate Services and Supports for Youth and Young Adults 16-25 with Serious Emotional Disturbances (SED) or Serious Mental Illness (SMI), and Their Families (Healthy Transitions Initiative—HTI) that will collect data on program implementation and youth and young adult outcomes in the areas of education, employment, housing, mental health and co-occurring disorders, and involvement with the juvenile and criminal justice systems. This cross-site evaluation design includes a process and an outcome evaluation and data will be collected over a 3-year period from 7 grantee sites.

The cross-site evaluation is designed to address the following questions.

Process Evaluation Questions

1. How closely does implementation match the plan proposed in the grant?
2. What types of deviation from the plan occur?
3. What effect do the deviations have on the planned intervention and performance assessment?
4. What facilitates a successful transition between youth and adult systems?
5. Is there a change from a “youth-guided” model to a “youth and young adult consumer-driven” model?
