This input is vital to keep current with shifting data needs in the rapidly changing agricultural environment and keeps NASS informed of emerging issues in the agriculture community that can affect agriculture statistics activities.

The Committee, appointed by the Secretary of Agriculture, consists of 20 members representing a broad range of disciplines and interests, including, but not limited to, producers, representatives of national farm organizations, agricultural economists, rural sociologists, farm policy analysts,

educators, State agriculture representatives, and agriculture-related business and marketing experts.

Members serve staggered 2-year terms, with terms for half of the Committee members expiring in any given year. Nominations are being sought for 20 open Committee seats. Members can serve up to 3 terms for a total of 6 consecutive years. The Chairperson of the Committee shall be elected by members to serve a 1-year term.

Equal opportunity practices, in line with USDA policies, will be followed in all membership appointments to the Committee. The duties of the Committee are solely advisory. The Committee will make recommendations to the Secretary of Agriculture with regards to the agricultural statistics programs of NASS, and such other matters as it may deem advisable, or which the Secretary of Agriculture; Under Secretary for Research, Education, and Economics; or the Administrator of NASS may request. The Committee will meet at least annually. All meetings are open to the public. Committee members are reimbursed for official travel expenses only.
