SUPPLEMENTARY INFORMATION: Section 36(f) of the Arms Export Control Act mandates that notifications to the Congress pursuant to sections 36(c) and 36(d) must be published in the **Federal Register** when they are transmitted to Congress or as soon thereafter as practicable.

April 27, 2012 (Transmittal Number 11-024)

The Honorable John A. Boehner, Speaker of the House of Representatives.

Dear Mr. Speaker: Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed amendment to a technical assistance agreement for the manufacture and the export of defense articles, including technical data, and defense services in the amount of \$100,000,000 or more. The transaction described in the attached certification involves the export of defense articles, including technical data, and defense services to France, Italy, Belgium and Spain for the design, manufacture and delivery of Satellite Subsystems On-Board Processors for the Iridium NEXT program. The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations. This notification should not be interpreted as the Department's conclusion that the applicant or any manufacturer, supplier or vendor or other entity related to it has not violated any of the statutes enumerated at 22 U.S.C. 2778(g) with respect to this or other related transactions.

The Department reserves its ability to approve or deny this transaction.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

David S. Adams,
Assistant Secretary, Legislative Affairs.
