Foreign-Trade Zones Board

[B-49-2012]

**Foreign-Trade Zone 8—Toledo, OH;
Application for Reorganization and
Expansion Under Alternative Site
Framework**

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Toledo-Lucas County Port Authority, grantee of FTZ 8, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 12, 2012.

FTZ 8 was approved by the Board on October 11, 1960 (Board Order 51, 25 FR 9099, 10/15/2960) and expanded on: January 22, 1973 (Board Order 92, 38 FR 3015, 1/31/1973); January 11, 1985 (Board Order 277, 50 FR 2702, 1/18/1985); August 19, 1991 (Board Order 532, 56 FR 42026, 8/26/1991); June 12, 2000 (Board Order 1102, 65 FR 37960, 6/19/2000); June 7, 2002 (Board Order 1231, 67 FR 41393, 6/18/2002); February 17, 2005 (Board Order 1376, 70 FR 9613–9614, 2/28/2005); August 23, 2005 (Board Order 1408, 70 FR 51335, 8/30/2005); and, August 5, 2009 (Board Order 1637, 74 FR 41374, 8/17/2009).

The current zone project includes the following sites: *Site 1* (332 acres)—Port of Toledo Complex, Toledo; *Site 2* (337 acres)—Toledo Express Airport, 11311 W. Airport Service Drive Swanton; *Site 3* (10 acres)—First Choice Packaging, 1501 West State Street Fremont; *Site 4* (459 acres)—Cedar Point Development Park, Lallendorf Road/Cedar Point Road/Wynn Road Oregon; *Site 5* (167 acres)—Ohio Northern Global Distribution and Business Training Center, 6722 Commodore Road Walbridge; *Site 7* (34 acres)—Ampoint Industrial Complex, 851 Third Street Perrysburg; and, *Site 8* (3 acres)—Metro International Trade Services, LLC, 1802 Nebraska Avenue Toledo.

The grantee’s proposed service area under the ASF would be Sandusky, Henry, Wood, Lucas and Defiance Counties, Ohio, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The proposed service area is within and adjacent to the Toledo-Sandusky Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include existing Sites 1, 2, 4, and 5 as “magnet” sites and Sites 7 and 8 as “usage-driven” sites. The applicant is also requesting that Site 3 be removed. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. The applicant is also requesting approval of a subzone (Subzone 8I) under the ASF with the following sites: *Proposed Site 1* (205.2 acres)—Whirlpool Corporation, 119 Birdseye Street 1081 and 1285 W. McPherson Highway Clyde, Sandusky County; *Proposed Site 2* (23 acres)—Whirlpool C1 and C2 Warehouses, 240 and 247 Norwest Drive Clyde, Sandusky County; and, *Proposed Site 3* (2.9 acres)—Whirlpool C3 Warehouse, 8050 W. County Road 62, Green Springs, Sandusky County. The application would have no impact on FTZ 8’s previously authorized subzones.

In accordance with the Board’s regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions shall be addressed to the Board’s Executive Secretary at the address below. The closing period for their receipt is September 21, 2012. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 9, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230–0002, and in the “Reading Room” section of the Board’s Web site, which is accessible via www.trade.gov/ftz. For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482–0473.

Dated: July 12, 2012.

Andrew McGilvray,
Executive Secretary.

Foreign-Trade Zones Board

[B-51-2012]

**Foreign-Trade Zone 32—Miami, FL;
Application for Reorganization Under
Alternative Site Framework**

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Greater Miami Foreign-Trade Zone, Inc., grantee of FTZ 32, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the Board’s standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 13, 2012.

FTZ 32 was approved on September 6, 1977 (Board Order 123, 42 FR 46568, 09/16/77) and expanded on March 3, 1982 (Board Order 184, 47 FR 10612, 03/11/82), on March 20, 1990 (Board Order 466, 55 FR 11631, 03/29/90), and on March 13, 2007 (Board Order 1507, 72 FR 13080, 03/20/07). The current zone project includes the following sites: *Site 1* (70.5 acres)—warehouse and exhibition center, located at NW 25th Street and 107th Avenue, Miami; *Site 2* (205 acres)—Beacon Centre Development complex, located north of NW 12th Street and east of 87th Avenue, Miami; *Site 3* (49 acres)—Sysco Food Service warehouse, 12500 NW 112th Avenue, Medley; and, *Site 4* (2.5 acres, expires 9/30/2013)—Kansas Marine warehouse, 555 NE 185th Street, Miami.

The grantee’s proposed service area under the ASF would be the portion of Miami-Dade County located north of State Road 836 (Dolphin Expressway) and south of US–27 (SW Okeechobee Road) and west of State Road 969 (Milam Dairy Road and West 72nd Avenue) to State Road 825 (NW 137th Avenue). If approved, the grantee would

be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within the Miami Customs and Border Protection port of entry. The grantee proposes to retain existing Site 4 which is located outside of the proposed service area.

The applicant is requesting authority to reorganize its existing zone project to include Sites 1 and 2 as "magnet" sites and Sites 3 and 4 as "usage-driven" sites. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted.

In accordance with the Board's regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is September 21, 2012. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 9, 2012.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz. For further information, contact Camille Evans at Camille.Evans@trade.gov or (202) 482-2350.

Dated: July 13, 2012.

Andrew McGilvray,

Executive Secretary.

BILLING CODE P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Fisheries of the Gulf of Mexico and South Atlantic; Southeast Data, Assessment and Review (SEDAR); Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of Assessment Webinar.

SUMMARY: The SEDAR 28 assessment of the Gulf of Mexico and South Atlantic Spanish mackerel and cobia fisheries will consist of a series of workshops and supplemental webinars. This notice is for a webinar associated with the Assessment portion of the SEDAR process. See **SUPPLEMENTARY INFORMATION**.

DATES: The SEDAR 28 Assessment Workshop Webinar will be held on August 17, 2012 from 1 p.m. until 5 p.m. EST. The established time may be adjusted as necessary to accommodate the timely completion of discussion relevant to the assessment process. Such adjustments may result in the meeting being extended from or completed prior to the times established by this notice.

ADDRESSES: The webinar will be held via a GoToMeeting Webinar Conference. The webinar is open to members of the public. Those interested in participating should contact Ryan Rindone at SEDAR (see **FOR FURTHER INFORMATION CONTACT**) to request an invitation providing webinar access information. Please request meeting information at least 24 hours in advance.

FOR FURTHER INFORMATION CONTACT:

Ryan Rindone, SEDAR Coordinator, 2203 N. Lois Ave., Suite 1100, Tampa FL 33607; telephone: (813) 348-1630; email: ryan.rindone@gulfcouncil.org.

SUPPLEMENTARY INFORMATION: The Gulf of Mexico and the South Atlantic Fishery Management Councils (Councils), in conjunction with NOAA Fisheries, has implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a three-step process including: (1) Data Workshop; (2) Assessment Process including a workshop and webinars; and (3) Review Workshop. The Data Workshop produces a data report that compiles and evaluates potential datasets and recommends the appropriate datasets for assessment analyses. The product of the Assessment Process is a stock assessment report that describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The assessment is independently peer reviewed at the Review Workshop. The product of the Review Workshop is a summary documenting panel opinions regarding the strengths and weaknesses of the stock assessment and input data. Participants for SEDAR Workshops are appointed by the Councils, NOAA

Fisheries Southeast Regional Office, and the NOAA Southeast Fisheries Science Center. Participants include: Data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and non-governmental organizations (NGOs); international experts; and staff of the Councils, marine fisheries commissions, and state and federal agencies.

SEDAR 28 Assessment Workshop Webinar

Panelists will continue deliberations and discussions regarding modeling methodologies for the Gulf of Mexico and South Atlantic Spanish mackerel and cobia fisheries.

Special Accommodations

This meeting is accessible to people with disabilities. Requests for auxiliary aids should be directed to the Council office (see **FOR FURTHER INFORMATION CONTACT**) at least 10 business days prior to the meeting.

Dated: July 18, 2012.

Tracey L. Thompson,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to a Pile Replacement Project

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice; issuance of an incidental harassment authorization.

SUMMARY: In accordance with the regulations implementing the Marine Mammal Protection Act (MMPA) as amended, notification is hereby given that we have issued an incidental harassment authorization (IHA) to the U.S. Navy (Navy) to incidentally harass, by Level B harassment only, six species of marine mammals during construction activities associated with a pile replacement project in Hood Canal, Washington.

DATES: This authorization is effective from July 16, 2012, through February 15, 2013.
