BILLING CODE 4710-25-P

DEPARTMENT OF STATE

[Public Notice 7962]

Bureau of Political-Military Affairs; Statutory Debarment Under the Arms Export Control Act and the International Traffic in Arms Regulations

ACTION: Notice.

SUMMARY: Notice is hereby given that the Department of State has imposed statutory debarment pursuant to § 127.7(c) of the International Traffic in Arms Regulations (“ITAR”) (22 CFR Parts 120 to 130) on persons convicted of violating, or conspiracy to violate, Section 38 of the Arms Export Control Act, as amended (“AECA”) (22 U.S.C. 2778). Further, a public notice was published in the **Federal Register** on Tuesday, November 15, 2011, listing persons statutorily debarred pursuant to the ITAR; this notice makes one correction to that notice.

DATES: *Effective Date:* The effective date is the date of this notice.

FOR FURTHER INFORMATION CONTACT: Lisa Aguirre, Director, Office of Defense Trade Controls Compliance, Bureau of Political-Military Affairs, Department of State (202) 632-2798.

SUPPLEMENTARY INFORMATION: Section 38(g)(4) of the AECA, 22 U.S.C. 2778(g)(4), prohibits the Department of State from issuing licenses or other approvals for the export of defense articles or defense services where the applicant, or any party to the export, has been convicted of violating certain statutes, including the AECA. The statute permits limited exceptions to be made on a case-by-case basis. In implementing this provision, Section 127.7 of the ITAR provides for “statutory debarment” of any person who has been convicted of violating or conspiring to violate the AECA. Persons subject to statutory debarment are prohibited from participating directly or indirectly in the export of defense articles, including technical data, or in the furnishing of defense services for which a license or other approval is required.

Statutory debarment is based solely upon conviction in a criminal proceeding, conducted by a United States Court, and as such the

administrative debarment procedures outlined in Part 128 of the ITAR are not applicable.

The period for debarment will be determined by the Assistant Secretary for Political-Military Affairs based on the underlying nature of the violations, but will generally be for three years from the date of conviction. Export privileges may be reinstated only at the request of the debarred person followed by the necessary interagency consultations, after a thorough review of the circumstances surrounding the conviction, and a finding that appropriate steps have been taken to mitigate any law enforcement concerns, as required by Section 38(g)(4) of the AECA. Unless export privileges are reinstated, however, the person remains debarred.

Department of State policy permits debarred persons to apply to the Director, Office of Defense Trade Controls Compliance, for reinstatement beginning one year after the date of the debarment. Any decision to grant reinstatement can be made only after the statutory requirements of Section 38(g)(4) of the AECA have been satisfied.

Exceptions, also known as transaction exceptions, may be made to this debarment determination on a case-by-case basis at the discretion of the Assistant Secretary of State for Political-Military Affairs, after consulting with the appropriate U.S. agencies. However, such an exception would be granted only after a full review of all circumstances, paying particular attention to the following factors: whether an exception is warranted by overriding U.S. foreign policy or national security interests; whether an exception would further law enforcement concerns that are consistent with the foreign policy or national security interests of the United States; or whether other compelling circumstances exist that are consistent with the foreign policy or national security interests of the United States, and that do not conflict with law enforcement concerns. Even if exceptions are granted, the debarment continues until subsequent reinstatement.

Pursuant to Section 38(g)(4) of the AECA and Section 127.7(c) of the ITAR, the following persons are statutorily debarred as of the date of this notice (Name; Date of Conviction; District; Case No.; Month/Year of Birth):

As noted above, at the end of the three-year period following the date of this notice, the above named persons/entities remain debarred unless export privileges are reinstated.

Debarred persons are generally ineligible to participate in activity regulated under the ITAR (see *e.g.*, sections 120.1(c) and (d), and 127.11(a)). Also, under Section 127.1(c) of the ITAR, any person who has knowledge that another person is subject to debarment or is otherwise ineligible may not, without disclosure to and written approval from the Directorate of Defense Trade Controls, participate, directly or indirectly, in any export in which such ineligible person may benefit there from or have a direct or indirect interest therein.

Further, **Federal Register** document 2011–29470, published at 76 FR 70805, Tuesday, November 15, 2011, is corrected on page 70807, line 12 through line 15 to read as follows:

1. Andrew V. O'Donnell; August 1, 2011; U.S. District Court, Northern District of Georgia; Case No. 1:10–CR–491–CAP; July, 1977.

That notice of statutory debarment incorrectly identified the debarred party as “Andrew V. O'Donnell” and the Month/Year of birth of the debarred party as “July, 1997.”

This notice is provided for purposes of making the public aware that the persons listed above are prohibited from participating directly or indirectly in activities regulated by the ITAR, including any brokering activities and in any export from or temporary import into the United States of defense articles, related technical data, or defense services in all situations covered by the ITAR. Specific case information may be obtained from the Office of the Clerk for the U.S. District Courts mentioned above and by citing the court case number where provided.

DEPARTMENT OF TRANSPORTATION

ITS Industry Forum on Connected Vehicles: Moving From Research Towards Implementation; Notice of Public Meeting

AGENCY: ITS Joint Program Office, Research and Innovative Technology Administration, U.S. Department of Transportation.

ACTION: Notice.

The U.S. Department of Transportation (USDOT) Intelligent Transportation System Joint Program Office (ITS JPO) will host a free public meeting and webinar to provide updates and promote a lively discussion on the Connected Vehicle Safety, Vehicle-to-Infrastructure, and Testing programs; along with a special session discussing lessons learned in deploying ITS. The public meeting will take place September 25–27, 2012, 9:00 a.m.–4:30 p.m. at the Hyatt Regency Chicago, 151 East Wacker Drive, Chicago, Illinois, USA 60601, 312–565–1234. Persons planning to attend the meeting or participate in the webinar should register online at www.itsa.org/safetymeeting no later than August 30, 2012.

The goal of the meeting and webinar is to identify where we are and what remains in getting to the 2013 decision on Vehicle Communications for Safety, discuss what is evolving in terms of a robust Vehicle-to-Infrastructure environment, and identify what we have learned from past ITS deployments that can help with success for the future.

About the Connected Vehicle Research Program at USDOT

Connected Vehicle research at USDOT is a multimodal program that involves using wireless communication between vehicles, infrastructure, and personal communications devices to
