Learning Professional Competency Model format in the form of a matrix containing the name of each competency, and a definition and description of each competency. While this solicitation for a cooperative agreement has presented an outline for this project, this cooperative agreement welcomes innovative ideas regarding the process and final competency model product.

Specific Requirements: Documents or other media that are produced under this award must follow these guidelines: Prior to the preparation of the final draft of any document or other media, the awardee must consult with NIC's Writer/Editor concerning the acceptable formats for manuscript submissions and the technical specifications for electronic media. For all awards in which a document will be a deliverable, the awardee must follow the guidelines listed herein, as well as follow the Guidelines for Preparing and Submitting Manuscripts for Publication as found in the "General Guidelines for Cooperative Agreements," which can be found on our Web site at www.nicic.gov/ cooperativeagreements.

All final documents and other media submitted for posting on the NIC Web site must meet the federal government's requirement for accessibility (508 PDF or HTML file). The awardee must provide descriptive text interpreting all graphics, photos, graphs, and/or multimedia to be included with or distributed alongside the materials and must provide transcripts for all applicable audio/visual works.

Application Requirements: Applications should be concisely written, typed double spaced and reference the project by the "NIC Opportunity Number" and Title in this announcement. The package must include: A cover letter that identifies the audit agency responsible for the applicant's financial accounts as well as the audit period or fiscal year that the applicant operates under (e.g., July 1 through June 30); a program narrative not to exceed 20 pages, in response to the statement of work and a budget narrative explaining projected costs. Applicants may submit a description of the project teams' qualifications and expertise relevant to the project, but should not attach lengthy resumes. Large attachments to the proposal describing the organization or examples of other past work are discouraged. The following forms must also be included: OMB Standard Form 424, Application for Federal Assistance; OMB Standard Form 424A, Budget information—Non-Construction Programs; OMB Standard Form 424B, Assurances—NonConstruction Programs (these forms are available at http://www.grants.gov) and DOJ/NIC Certification Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and the Drug-Free Workplace Requirements (available at http://nicic.gov/Downloads/General/certif-frm.pdf.

Applications may be submitted in hard copy, or electronically via http://www.grants.gov. If submitted in hard copy, there needs to be an original and three copies of the full proposal (program and budget narratives, application forms and assurances). The original should have the applicant's signature in blue ink.

Authority: Public Law 93-415.

Funds Available: NIC is seeking the applicant's best ideas regarding accomplishment of the scope of work and the related costs for achieving the goals of this solicitation. Funds may only be used for the activities that are linked to the desired outcome of the project.

Eligibility of Applicants: An eligible applicant is any public or private agency, educational institution, organization, individual or team with expertise in the described areas.

Review Considerations: Applications received under this announcement will be subject to the NIC Review Process. The criteria for the evaluation of each application will be as follows:

Programmatic (40%)

Are all of the seven project tasks adequately discussed? Is there a clear statement of how each task will be accomplished, to include: Major subtasks, the strategies to be employed, required staffing, and other required resources? Are there any innovative approaches, techniques, or design aspects proposed that will enhance the project?

Organizational (35%)

Does the proposed project staff possess the skills, knowledge, and expertise necessary to complete the tasks listed under the scope of work? Does the applicant organization, group, or individual have the organizational capacity to achieve all seven project tasks? Are the proposed project management and staffing plans realistic and sufficient to complete the project within the project time frame?

Project Management/Administration (25%)

Does the applicant identify reasonable objectives, milestones, and measures to track progress? If consultants and/or partnerships are proposed, is there a

reasonable justification for their inclusion in the project, and a clear structure to insure effective coordination? Is the proposed budget realistic, provide sufficient cost detail/narrative, and represent good value relative to the anticipated results?

Note: NIC will NOT award a cooperative agreement to an applicant who does not have a Dun and Bradstreet Database Universal Number (DUNS) and is not registered in the Central Contractor Registry (CCR).

A DUNS number can be received at no cost by calling the dedicated toll-free DUNS number request line at 1–800–333–0505 (if you are a sole proprietor, you would dial 1–866–705–5711 and select option 1).

Registration in the CRR can be done online at the CCR Web site: http://www.bpn.gov/ccr. A CCR Handbook and worksheet can also be reviewed at the Web site.

Number of Awards: One.

NIC Opportunity Number: 12AC16. This number should appear as a reference line in the cover letter, where indicated on Standard Form 424, and outside of the envelope in which the application is sent.

Catalog of Federal Domestic Assistance Number: 16.601.

Executive Order 12372: This project is not subject to the provisions of Executive Order 12372.

MARINE MAMMAL COMMISSION

Sunshine Act Meeting

TIME AND DATE: The Marine Mammal Commission will meet in open session on Tuesday, 7 August 2012, from 9:00 a.m. to 5:00 p.m.

PLACE: Clark Conference Room, Northeast Fisheries Science Center, 166 Water Street, Woods Hole, Massachusetts 02543, telephone (508) 495–2000.

STATUS: The Commission expects that all portions of the meeting will be open to the public. It will allow public participation as time permits and as determined to be desirable by the Chairman. Should it be determined that it is appropriate to close a portion of the meeting to the public, any such closure will be carried out in accordance with applicable regulations (50 CFR 560.5 and 560.6).

Seating for members of the public may be limited. The Commission therefore asks that those intending to attend the meeting advise it in advance by sending an email to the Commission at *mmc@mmc.gov* or by calling (301) 504–0087. Members of the public will need to present valid, governmentissued photo identification and obtain a visitor's pass from the receptionist at the main laboratory building.

MATTERS TO BE CONSIDERED: The

Commission plans to meet with regional management and scientific officials in each of the National Marine Fisheries Service's six regions to identify the most pressing marine mammal research and management needs. The Commission will use these meetings to develop a set of national priorities for guiding federal conservation efforts for marine mammals. Members of the public are invited to attend these meetings and to provide comments concerning priority issues. Those unable to attend any of the meetings may submit comments in writing. Written comments should be sent to Timothy J. Ragen, Executive Director, Marine Mammal Commission, 4340 East-West Highway, Room 700, Bethesda, Maryland 20814.

The first meeting will be held in the National Marine Fisheries Service's Northeast Region at the Northeast Fisheries Science Center. Notices of other meetings will be published in the **Federal Register** and posted on the Commission's Web site (http://www.mmc.gov) when the dates and locations are determined.
