#### **Folding Gift Boxes From the People's Republic of China: Extension of Time Limits for Preliminary and Final Results of Second Antidumping Duty Sunset Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* July 31, 2012.

**FOR FURTHER INFORMATION CONTACT:** Demitri Kalogeropoulos at 202-482-2623, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230.

#### **Background**

On April 2, 2012, the Department of Commerce ("the Department") initiated the second five-year ("sunset") review of the antidumping duty ("AD") order on certain folding gift boxes from the People's Republic of China ("PRC") pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act").<sup>1</sup> The Folding Gift Boxes Fair Trade Coalition,<sup>2</sup> a group of producers of the domestic like product, submitted a sufficient substantive response. On May

21, 2012, after analyzing the substantive response of interested parties, consistent with 19 CFR 351.218(e)(1)(ii)(A), the Department determined to conduct an expedited sunset review of this AD duty order on the basis that no respondent interested party submitted a substantive response.

On February 14, 2012, the Department published in the **Federal Register** a notice entitled *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012) ("*Final Modification for Reviews*"). In that notice, the Department announced the modification of its methodology regarding the calculation of the weighted-average dumping margins in certain segments of AD proceedings and stated that it would apply to all sunset reviews for which preliminary or final results were due more than 60 days after publication (*i.e.*, April 16, 2012). On July 23, 2012, the Department reconsidered its determination to conduct an expedited sunset review of this order and determined to conduct a full sunset review of the AD order on folding gift boxes from the PRC.<sup>3</sup> The preliminary results of this full sunset review are currently due July 23, 2012.<sup>4</sup>

#### **Extension of Time Limits**

In accordance with section 751(c)(5)(B) of the Act, the Department may extend the period of time for making its determination by not more than 90 days, if it determines that the sunset review is extraordinarily complicated. We determine that this AD sunset review is extraordinarily complicated, pursuant to section 751(c)(5)(C) of the Act, because the issues that the Department must analyze pursuant to the *Final Modification for Reviews* are complex.

The preliminary results of this full sunset review of the AD orders on folding gift boxes from the PRC are currently scheduled for July 23, 2012, and the final results of this review are scheduled for November 28, 2012. The Department is extending the deadlines for both the preliminary and final results of the full sunset review. As a

<sup>3</sup> See Memorandum titled "Sunset Review of the Antidumping Duty Orders on Folding Gift Boxes from the People's Republic of China: Adequacy Redetermination Memorandum," (July 23, 2012).

<sup>4</sup> The due date actually falls on July 21, 2012, which is a weekend. Therefore, the deadline moves to the next business day which is July 23, 2012. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*; 70 FR 24533 (May 10, 2008).

result, the Department intends to issue the preliminary results of this full sunset review of the AD order on folding gift boxes from the PRC no later than October 19, 2012, and the final results of the review no later than February 26, 2013. These dates are 90 days from the original scheduled dates of the preliminary and final results of the full sunset review.

This notice is issued in accordance with sections 751(c)(5)(B) and (C)(v) of the Act.

#### Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce ("the Department") has received requests to conduct administrative reviews of various antidumping and countervailing duty orders and findings with June anniversary dates. In accordance with the Department's regulations, we are initiating those administrative reviews.

**DATES:** *Effective Date:* July 31, 2012.

**FOR FURTHER INFORMATION CONTACT:** Brenda E. Waters, Office of AD/CVD Operations, Customs Unit, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230, telephone: (202) 482-4735.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

The Department has received timely requests, in accordance with 19 CFR 351.213(b), for administrative reviews of various antidumping and countervailing duty orders and findings with June anniversary dates.

All deadlines for the submission of various types of information, certifications, or comments or actions by the Department discussed below refer to the number of calendar days from the applicable starting time.

##### **Notice of No Sales**

If a producer or exporter named in this notice of initiation had no exports,

sales, or entries during the period of review ("POR"), it must notify the Department within 60 days of publication of this notice in the **Federal Register**. All submissions must be filed electronically at <http://iaaccess.trade.gov> in accordance with 19 CFR 351.303. See *Antidumping and Countervailing Duty Proceedings: Electronic Filing Procedures; Administrative Protective Order Procedures*, 76 FR 39263 (July 6, 2011). Such submissions are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended ("Act"). ##### **Respondent Selection**

In the event the Department limits the number of respondents for individual examination for administrative reviews, the Department intends to select respondents based on U.S. Customs and Border Protection ("CBP") data for U.S. imports during the POR. We intend to release the CBP data under Administrative Protective Order ("APO") to all parties having an APO within seven days of publication of this initiation notice and to make our decision regarding respondent selection within 21 days of publication of this **Federal Register** notice. The Department invites comments regarding the CBP data and respondent selection within five days of placement of the CBP data on the record of the applicable review.

In the event the Department decides it is necessary to limit individual examination of respondents and conduct respondent selection under section 777A(c)(2) of the Act:

In general, the Department has found that determinations concerning whether particular companies should be "collapsed" (*i.e.*, treated as a single entity for purposes of calculating antidumping duty rates) require a substantial amount of detailed information and analysis, which often require follow-up questions and analysis. Accordingly, the Department will not conduct collapsing analyses at the respondent selection phase of this review and will not collapse companies at the respondent selection phase unless there has been a determination to collapse certain companies in a previous segment of this antidumping proceeding (*i.e.*, investigation, administrative review, new shipper review or changed circumstances review). For any company subject to this
